THE JEWISH-CONTROLLED US DEPARTMENT OF HOMELAND SECURITY is now turning against upright American citizens. Directing the Department's targeting of American citizens is the Zionist Jew, Joseph Lieberman, the Senate Homeland Security Chairman, and Janet Napolitano, the Secretary of Homeland Security, an obvious Zionist shill and *reputed lesbian*.

In an alarming 'Gestapo-oriented' *Report* by US Homeland Security issued on April 7, 2009, entitled, Rightwing Extremism: Current Economic and Political Climate Fueling Resurgence in Radicalization and Recruitment, the fascist Department of Homeland Security *specifies* a new 'threat' to America's security, namely, all critics of Jewry's agenda to destroy America, whom the Department labels: "Anti-Semitic extremists."

The Report, prepared by the *Extremism and Radicalization Branch, Homeland Environment Threat Analysis Division* and coordinated with the FBI, was approved by Homeland Security Secretary, Janet Napolitano, a *reputed lesbian*, who is the Talmudic Jew Michael Chertoff's successor. View All Napolitano *Reputed Lesbian* Articles Here.

The alleged *lesbian* Napolitano, describing a "homegrown threat" to national security, issued a statement on April 20, 2009, defending the Report, saying:

"We must protect the country from homegrown terrorism regardless of the *ideology* that motivates it. The DHS will continue to work with its state and local partners to prevent and

protect against the potential threat to the United States associated with any rise in extremist activity." View Entire Report Here.

The "*ideology*" that Zionist-shill and alleged *lesbian* Napolitano is targeting, has been *specified* in two entries on page 4 of the Report. And that "*ideology*" is "Anti-Semitism," Jewry's deceptive term to destroy freedom of speech in America:

"(U) **Current Economic and Political Climate.** A recent example of the potential violence associated with a rise in rightwing extremism may be found in the shooting deaths of three police officers in Pittsburgh, Pennsylvania, on 4 April 2009. The alleged gunman's reaction reportedly was influenced by his racist ideology and belief in anti-government conspiracy theories related to gun confiscations, citizen detention camps, and a 'Jewish-controlled one world government.'"

"(U) **Exploiting Economic Downturn.** Rightwing extremist chatter on the Internet continues to focus on the economy, the perceived loss of U.S. jobs in the manufacturing and construction sectors, and home foreclosures. Anti-Semitic extremists attribute these losses to a deliberate conspiracy conducted by a cabal of 'Jewish financial elites.' These tactics are employed to draw new recruits into rightwing extremist groups and further radicalize those already subscribing to extremist beliefs. The DHS assesses that this trend is likely to accelerate if the economy is perceived to worsen." View Entire Report Here.

APPARENTLY, THE US DEPARTMENT OF HOMELAND SECURITY IS NOW FUNCTIONING as a branch of the *Anti Defamation League* (ADL) in combating 'Anti-Semitism' - which is a deceptive Jewish term employed by US Jewry to deflect *valid* criticism of Jewry's evil designs - one of which is to establish a "Jewish-controlled one world government." This recent *Report* by Homeland Security evinces yet *another* incident of the expansion of Jewish control over the American government.

The ADL has been trying to limit freedom of speech on the Internet for over three years running, and has already infiltrated US police forces throughout the nation, training Gentile police to turn against their own, in order to protect "Zionist Jews," whom publicists have demonstrated in various articles, have a *supremacist* attitude toward non-Jews.

The question is, "Is there any good news coming out of this even *further* Jewish control of American governmental offices?" The answer is, "Yes."

THE CATHOLIC NATIONAL LAW FIRM, known as, *The Thomas More Law Center*, has filed a federal complaint against the Zionist shill, Janet Napolitano, and her Jewish-controlled, US Department of Homeland Security.

In a statement issued by the law firm, entitled, *Janet Napolitano Is Lying To Americans About Her Department's Rightwing Extremism Report*, the Law Center outlined its complaint against Napolitano, stating that her report "violates the civil liberties of combat veterans as well as American citizens by targeting them for disfavored treatment on account of their political beliefs, labeling them, 'right-wing extremists.'" View Entire Story Here

Jews just love to use the term, "right-wing extremists," in order to propagate a fear of Christian

conservatism which promotes traditional morality. For "traditional morality" is based on a Christian world-view. Jews *fear* this more than any other philosophical ideology in today's world. And that's why Jewry wants TOTAL control of not only our lives - but now - even our very mouths...

Dear Real Jew News Family -

I just got back yesterday afternoon after being at an Orthodox Christian Monastery for our Orthodox Holy Week and Easter, which we call, "Pascha," meaning, "Christ Our Passover Is Sacrificed For Us."

I was gone for a week and had a very refreshing time in worship and in fellowship with my fellow monastics. It was truly wonderful.

As soon as I got home, an email came into my mailbox from an avid reader of our site, Real Jew News, Mr Greg Howard, who alerted me to the "Anti-Semitic" spin of the Homeland Security Report, pointing out to me that NO ONE ELSE reported on this.

So, I give a SPECIAL THANKS to Greg Howard for his astute observations, specically showing to me that the ADL is now using US Homeland Security as a BRANCH of its FREEDOM-HATING agenda. Thank you dear Greg! I think this article is going to BREAK ALL RECORDS for numbers of hits.

In fact, OUR site, Real Jew News, IS breaking all kinds of records. The HIT LIST just KEEPS ON CLIMBING. New readers come to Real Jew News every day from simple Internet searches, such as, "Jews/America/Agenda" etc. as key words. Even a simple search such as "Stimulus Plan" bring a NEW READER to Real Jew News. We are now UP TO 820,000 PAGE VISITS per month! Wow!

Also, a dear friend of mine, who is all of our friend, for he is a regular commentor here on Real Jew News, Mr Nicolae Ibasfalean, has been sending out Real Jew News links to hundreds upon hundreds of people every day. Thus, this is helping the HIT COUNT CLIMB, as reflected in the Web Stats Service that I use.

As I mentioned above, I was with my fellow monastics all last week and got back yesterday. In essence, I am an Orthodox Christian monk and I live a very austere life. I have no TV, no radio, no DVD players. I eat usually only 1 meal a day, and it is a Vegan meal of brown rice, beans, and veggies. For desert I have peanut butter & honey... mmmm. (I LOVE peanut butter & honey...)

Why am I telling all of you whom I love so dearly all of this? It is because I have been praying about returning to a monastic community. However, I am in a public ministry situation and this is pulling me otherwise. The pull towards a return to a monastic community becomes stronger when donations fall and decline. And this has occured ever since Pay Pal BANNED ME due to the CHRIST-HATING ADL's intimidaton of them. Indeed, when I was with Pay Pal, the average number of donations was 8 donations a week.

But now, even with the Hassle Free & New Donation Service @ <https://co.clickandpledge.com/sp/d1/default.aspx?wid=26246> the numbers of donations is about 2 to 3 per week. A few of you are sending in Snail Mail donations and this is picked up the slack.

Sooo- (I guess I am sounding like a broken record by now, but this is simply the way it is), Please consider helping to keep OUR SITE, Real Jew News online. The expenses are VERY HIGH to run this site. Most of all, because of the many hours I spend on texting and formating the articles, I do not have the time to take a part time job as a hotel and house cleaner which is available.

If you can, Donations May Be Made By Clicking On The "DONATE FEATURE" At The Top & Bottom Of This Article. OR CLICK:

NOW REGARDING THIS ARTICLE. This is a VERY IMPORTANT expose of what is going on in our once Christian nation.

Do you see what US Homeland Security is now doing because of Jewry's INFLUENCE? They are now turning away from the "foreign threat" and aiming their Gestapo-monotoring on American citizens, ESPECIALLY those who fit the CHRIST-HATING / FREEDOM-HATING "profile" of the WICKED JEWS of the Anti Defamation League and their MILLIONAIRE Christ-Hating Jew donors!

We must be vigilant and at the same time, thankful, for Law Firms like the Thomas More Law Center, who is GOING AFTER these WICKED JEWS and their Branch, the US Dept Of Homeland Security. I am a member of the Thomas More Law Center and had to use my Membership Card in NYC to keep two Police Officers off of my back who escorted me ILLEGALLY off of the Times Sq Median Strip.

So, I went right back, and when they tried to do it again, I showed them my Thomas More Law Center membership. AND, they BACKED OFF immediately.

Okay, I am wiped out from preparing this article. I need to take a big break and pray and re-center myself.

Do keep me in your prayers, as I will be going BACK TO NYC in a couple of weeks. The Street Evangelism last month was SO SUCCESSFUL that I felt it is important to go back.

I love you all, I APPRECIATE YOU ALL, I pray for you all daily, and I ask that you PLEASE keep me, your Brother In Christ, +Nathanael, in your holy prayers.

Your +Brother, Nathanael

Welcome back Brother Nathanael!

Another great article!

Cold-hearted orb that rules the night,
Removes the colours from our sight,
Red is gray and yellow white,
But we decide which is right,
And which is an illusion?
