Egypt seizes aid supplies for Gaza

Fri, 13 Feb 2009 10:57:16 GMT

Egypt has seized relief supplies for the Gaza Strip as it continues to keep closed the Rafah border crossing for aid flow to the region.

Egyptian police on Thursday seized 2,200 tons of food and medical aid destined for the region, AFP reported.

Egypt has refused to open the Rafah crossing, the only Gaza Strip's connection to the outside world.

Two members of the Muslim Brotherhood, Hossam al-Shurbagi and Kamel al-Shaarawi, were also arrested, accused of 'illegally' storing the food in three warehouses, a security official said.

Shurbagi said the aid was being stored pending the reopening of the Rafah border crossing.

Cairo has kept closed the crossing despite international concerns over further worsening of the humanitarian situation in the region.

"No humanitarian, media or medical delegations will be allowed through, nor will medical aid deliveries be permitted," an Egyptian border official had told AFP.

The Gaza Strip is suffering from a humanitarian crisis due to the tight 19-month old blockade of the region and a 23-day war which killed nearly 1330 Palestinians mostly civilians.

The Rafah border crossing was closed even during the deadly Israeli offensive in which people were in dire need of basic goods and medical supplies.

The Egyptians are people, they also need food. Have you read the article last week, when the Israelis have wayward one of the trucks to Israel. They also need food... So Palestinians try to get much of the food assistance that are being sent to you. . .

Mobarak is U.S. Slave and needs U.S. \$\$\$ and protection. Qatar, Bahrain, Suadis, Kuwaitis, UAE also are paranoid states and slaves of U.S. They deserve no respect. Reason Israel is a winner, because ARABS can never unite! That is ARAB culture. Jews appear superior in thinking and unity to Arabs.

Please Egypt is NOT an Arab county. Recently gossip is going around in all African countries, to spit in front of an Arab person passing by you, it is the greatest insult to an Arab in the African culture, like the Iraqi shoe throwing. Send this word around to all Africans. Already Egyptians in Uganda, Nigeria, Ghana, Congo, Angola, South Africa, are getting psychologically depressed when we africans spit near them.

This is Muslim world. 1. You support HAMAS that rushed in conflict with Israel without any concern about own civilians. 2. It was disaster for Gaza 3. Now HAMAS wants to look like savior of Gaza and hijacking all aid to Gaza. 4. HAMAS is responsible for Gaza and must act accordingly. That include kissing hands that feed Gaza people: UN, Egypt, Israel, EU, US. BTW Muslim provide little to Gaza except all weapons.

JEWS ARE THIEVES

Fri, 13 Feb 2009 13:10:21 GMT

Jews control the U.S. government and finance as part of a "Jew world order" and therefore are to blame for the economic turmoil. The arrest of Wall Street Jewish financier Bernard Madoff, who swindled \$50 billion from investors, prompted an outpouring of anti-Semitic comments on mainstream and extremist Web sites, according to the ADL.

Surely there is some national organisation able to force Israel to open the borders, this is purely criminal. What have we become when we allow a terrorist state to rule, starve and eliminate a defenceless people. Are we all terrified of Israel/US? There are plenty of verbal objections, condemnations and cries of outrage but action is required NOW. The bulk of the Palestinians are living in basic tents, waiting for supplies which never come. We are allowing a slow genocide to happen here....

ZION HOSNY MUBARAK clearly bowing the pressures and attack threats of Israeli regime. If someone, a great power unleash a heavy blow to Egypt militarily, then, probably the Gaza border will be kept open forever as per the great power demands. Down down ZION HOSNY MUBARAK and GOD WILLING and will ROT in the hell fire for your crimes against humanity.
