**IF OBAMA EVER CROSSES THE JEWS**, an army of Jewish publishers, journalists and lobbyists will destroy him instantly. The Jews know of Obama's alleged homosexual activities and his presidential ineligibility due to his birth in Kenya. In other words, the Jews who own America's mainstream media, could ruin Obama in a minute.

Thus, the Jewish banking elite who work closely with their synagogue buddies at ABC, NBC, and CBS, have decided FOR Obama those whom he appoints as his key advisers and those whom he confirms as heads of the institutions connected with the White House.

A key component of Obama's rise to power is rooted in Chicago, the Jewish breeding ground of Obama's political career. A prime Jewish patron of Obama's political ambitions was and remains, Abner Mikva, former Chicago Congressman, Federal judge and White House counsel to Bill Clinton.

Mikva is one of many influential Chicago Jews who have been among Obama's earliest and most ardent backers. Through their large financial contributions and influence peddling, Obama's Chicago enablers insured for themselves both a place in his administration and political leverage serving Jewish interests. These include the following, all of whom, are interconnected:

**-1-** Bettylu Klutznik Saltzman, whose father, Phillip Klutznik (d 1999), served as President of B'nai B'rith **-2-** Rahm Emanuel, former partner in Chicago's branch of Wasserstein Investments, currently White House Chief of Staff **-3-** Penny Pritzker, heiress to the Chicago-based Hyatt Hotel fortunes, now member of Obama's Economic Recovery Advisory Board **-4-** Lester Crown, Chairman of Chicago's Crown Investments, **-5-** Valerie Jarret, former Chairman of the Chicago Stock Exchange, currently Obama's Senior Adviser for Intergovernmental Affairs **-6-** David Axelrod, founder of Axelrod & Associates which ran Obama's senate and presidential campaigns, now Special Adviser to Obama.

As listed in the publication, *The Barack Book*, Jews have played *and* continue to play a key role in propping up Obama as a puppet for Jewish interests. Also listed in *The Barack Book* as amongst Obama's Chicago 'friends' is The Joyce Foundation, a Gentile-sounding foundation, but is actually a Jewish organization that lobbies for gun confiscation of Gentiles, funded by the Jewish billionaire, George Soros.

Noted for his takeover of the Democratic party, Soros was the major financial contributor of Obama's presidential campaign through his huge network of PACs and civic groups.

### SOROS & HIS LACKEYS

**THERE ARE PRESENTLY 3 JEWS** who have infiltrated the Obama administration, and for all practical *and* Jewish purposes, run the White House: George Soros, Larry Summers, and Timothy Geithner.

Born in Budapest in 1930 as Gyorgy Schwartz, when young Schwartz enrolled in the London School of Economics in 1947,

<http://www.realzionistnews.com/?p=461>

11/5/2009

he changed his surname to Soros so as to pass himself off as a Gentile. In 1956 Soros settled in NYC where he built his multi-billionaire hedge fund called the Quantum Fund.

Exposed as Obama's "money man," Soros's involvement with Obama's political career began in 2005 with Soros fundraising for Obama's campaign for US Senate and continued through the 2007 Presidential campaign launch with huge fundraising operations. Soros has got his bought-and-paid-for White House stooge through whom he can operate.

As a Jewish manipulator *par excellence* of markets, political scenarios, and economic conditions, (Soros boasts, "I'm having a very good crisis!" with regard to his windfall profits in America's current economic crisis), Soros is at the top of the food chain of Obama's economic duo - Summers and Geithner - both totally under Soros' thumb.

## MARCHING ORDERS

**SOON AFTER FOX NEWS** exposed Obama as a liar in his promise for "transparency" due to his denying access to the White House Visitor List, Obama was forced against his will to release a partial list of visitors which shows Soros visiting Summers no less than 4 times. Zionist Jew, Lloyd Blankfein, Chairman of Goldman Sachs, also met both with Summers and Obama. Rev Wright & Bill Ayers were among Obama's 'secret' guests.

Why did Soros visit Summers, Obama's chief economic adviser, 4 times? Let's back up a bit. Summers was forced out of his job as Dean of Harvard in 2006 on the pretext of his uttering 'sexist' remarks. Out of a job and his reputation sullied, Soros, (who began courting Summers in 1991 to assist in his looting of Russia), came to Summers' rescue.

Through his connections to the hedge fund, D.E. Shaw & Co, vis a vis his interlacing investments, Soros arranged for Summers to land a token high-salaried job with D.E. Shaw in 2006 through 2008 as an "investment strategy adviser."

After granting Summers a *day in the sun* for a year, Soros began bringing Summers along with him to the Davos World Economic Conference and various other economic summits throughout 2008. Obviously, Soros was preparing the American public for a Soros lackey in the White House, which Soros knew he would soon own through his puppet presidential candidate, Obama. Now Summers marches to the beat of his master.

**Timothy Geithner is the Secretary** of the Treasury. Geithner was a close aide of Summers in his stint as Treasury Secretary during the Clinton administration where Summers addressed his protege as "young Tim."

Just prior to his term as President of the NY Federal Reserve from 2003-2008, Geithner had failed to pay at least \$34,000 in taxes. Soon after Obama nominated Geithner for Treasury, he was exposed as a tax cheat, yet the Jew-bought Congress still confirmed him.

With the economy in crisis due to Jewish Wall Street finaglers, Geithner went to work to protect his synagogue buddies by appointing as his closest Treasury aides, (none of whom faced Senate confirmation), the Jewish criminals who got us into the crisis to begin with.

The Jewish bankster aides appointed by Geithner include Gene Sperling, who last year took in \$887,727 from Goldman Sachs and \$158,000 for speeches mostly to financial companies, including the firm run by accused Ponzi scheme mastermind R. Allen Stanford. Another top aide, Lee Sachs, reported more than \$3 million in partnership income from Mariner Investment Group, a Wall Street hedge fund.

As his chief-of-staff, Geithner chose the Goldman Sachs lobbyist, Mark Patterson, contrary to Obama's promise (he's a liar) that the White House would be off limits to lobbyists.

As past president of the NY Federal Reserve, which "maintains the nation's payment systems," Geithner knows where the trillions of Bail-out TARP dollars, (which Bernanke refuses to reveal), went. Geithner knows where the bodies are buried and that's why he was appointed and has hired Wall Street shysters as his closest aides to PROTECT the GUILTY....Jews, that is, Wall Street bankster Jews....

Dear Real Zionist News Family & All Readers,

Never have I worked so hard and LONG as I have on this article, "How The Jews Took The White House." This has been a week-long project with intense research.

Also, because of some of my "inside Washington" contacts, I have been able to reveal what is really happening in DC - a Jew-occupied city.

I must come right to the point. I need financial help. I cannot go on Street Evangelism Trips for now since I can barely make the huge expenses that running OUR site, Real Zionist News, entails. Prospective trips to LA and Atlanta are on hold.

Here is an Email Appeal which I entitled, "Growing, Growing, Gone..." , which I sent out last week but only got a few responses:

— — — Growing, Growing, Gone...

Dear Friends Of Real Zionist News,

OUR Site, Real Zionist News, is growing by leaps and bounds. After only 2 years of online exposure, Real ZIONist News is now up to 3 million UNIQUE Hits. Also, Real Zionist News is up to 872,000 page visits per month.

Because of the high traffic and of maintaining a top notch site, the expenses are enormous. It seems that the more popular Real Zionist News grows, the lower the number of donations. Right now, I can hardly make this month's expenses.

That is why the Subject Heading above is: "Growing, Growing, Gone." No, Real Zionist News is NOT Gone and will NOT be gone as long as readers pitch in. Will you please consider helping me out? Simply Click [HERE](#) to make a Secured Online Donation @ <https://co.clickandpledge.com/sp/d1/default.aspx?wid=26246>

Or, Donations May Sent To: Brother Nathanael Kapner; PO Box 1242; Frisco CO; 80443.

Many Thanks To Those Who Do Contribute! Much Love In Christ, +Brother Nathanael ---

Will You Then Please Consider and Pray About Helping Me Out Dear Real Zionist News Family Members & All Readers?

Okay, gotta go and grab some grub and curl up with the Holy Bible and some prayer.

With Much Love In Christ Our Precious Saviour, Your +Brother in Christ, Nathanael

Dear Br. Nathanael,

Hang in there for a little while.

It was on account of your 'Growing, Growing, Gone' distribution that I took a little to time to 'scratch my head' and figure out what I could do to help you out.

It will be but only a short while, but I'm getting a small package together for you coming to you in the mails.

Shesshh...with only a few helping you, I'm going to see if I can't get the Logos Incarnate to help you out.

- Fr. Joseph

Greetings in our Lord Jesus Christ, dear Brother Nathanael and RZN family,

These montages entirely capture that "INNER JEW" of the unrepentant Jew as a "den of vipers", their faces distorted as the demonically double-minded "sons & daughters of Beelzebub". What a blessing, dear BN, that you have escaped from this by the grace of God and your faith in Christ. Your very countenance reflects the grace of Christ our Lord and God.

I am half breathless and overwhelmed from seeing the concentrated iconic impact of all these visibly evil, malevolent and twisted pack of thieving Jewish hyenas including the psychopathic arch-fiend Soros the Destroyer that have taken over the White House.

It's really beginning to look like the USA now has a fourth branch of government with all of the Goldman Sachs transplants everywhere underfoot with their little pitty-paws into everything. It's unbelievable that America is in such a miserable condition, yet these Jews freely throw American taxpayer bailout money at each other, something like how monkeys in zoos gleefully fling their own feces in each other's faces.

And the fiscal and economic take-over of the White House is so complete, that the Goldmanite Jews literally call themselves "Government Sachs" while they have the grandest time with their on-going Frat Party of violent radicals, media stars, and Marxist racists (as they sneeringly roll their eyes as we silly people simply don't get it that they are just so much smarter than the rest of us.)

I have, however, figured out finally why Obummer received the Nobel Prize for Peace.

It was for the 40 minute White House "Beer Summit" and "teachababble moment" over pretzels last summer that the racist Obummer called to discuss the incident of the racist black Harvard professor breaking into his own house, and the policeman who (according to Obummer) "acted stupidly" (because he was white) by doing his duty in responding to a call of a possible burglary in progress at the same professor's house.

Amazing.

Lord help us all.

Dear Brother Nathanael,

With the decline of the American economy and falling tax revenues, how is it that the Jew Bolsheviks continue to finance the operations of government? It seemed as though the federal government was on the verge of having no buyers for treasury debt to finance this upcoming years operations.

Some internet outlets I keep an eye on are the Webb-Hennegan sites. Situated more as unsubstantiated leak sources than as true investigative journalists, they are taken 'with a grain of salt'. However, it appears clear to me that they have a line or two direct from inside US intelligence.

Although the down side is that this easily could be a disinformation side-show, I find it useful to stay aware of their narratives as many of the items they break end up having substantial tie-ins to real investigative news which emerges elsewhere, thus corroborating stories broken earlier by them.

Let's have a look at their explanation of how the Jewopoly has managed to finance extended play for their roles as traitors and agents of a foreign power within the USA:

[http://www.stewwebb.com/China\\_Now\\_the\\_US\\_Clearinghouse\\_Bush\\_Clinton\\_Crime\\_Syndicate\\_Out\\_of\\_Control.htm](http://www.stewwebb.com/China_Now_the_US_Clearinghouse_Bush_Clinton_Crime_Syndicate_Out_of_Control.htm)

"The TREASONOUS deal between the Obama Administration and the Chinese was struck in the last 48 hours and directs the Obama U.S. Commerce Department to hand over secret trading codes that would allow the People's Republic of China to have a 20-second lead time on ALL worldwide security, currency and commodity trading transactions.

"The secret codes are tied to the Chicago Mercantile Exchange and two major on-line U.S. discount security and commodity trading companies with a direct liaison to the noted criminal firm Goldman Sachs.

"The agreement also involves the government of Israel and its Prime Minister Benjamin Netanyahu aka BibiFRAUD who will also be allowed access to these secret satellite trading codes acting as a middleman between the Bush-Clinton Crime Family Syndicate and the government of RED China.

"HIGH Treason TRAITORS  
Against the American People

"Note: During her recent trip to Pakistan, Hillary Clinton, accompanied by U.S. Commerce Secretary Gary Locke, also handed over to both Chinese and Israeli Intelligence secret U.S.-NATO-Russian nuclear launch codes that were used as a bribe to exact the Chinese acquiescence to continue to finance our massive debt and buy our U.S. Treasury bonds.

"So it is now clear, folks, the Chinese have been paid back their \$1.8 TRILLION loan tenfold. In the last 48 hours, the Chinese-Israeli box gang have accrued up to \$3.7 TRILLION of profitable trades in S&P, Euro dollars, U.S. bonds as well as gold and silver future contracts utilizing their 15-20 second lead time made accessible to them through the secret trading codes.

"LATE BREAKING DEVELOPMENT

"The Russian Federation, as well as the Republic of France, are now on the HIGHEST level of nuclear alert given the TREASONOUS activities of U.S. Secretary of State Hillary Rodenhurst Clinton.

"Hillary, who is suffering from a deadly disease, was recently in Pakistan not only to hand over secret U.S. and NATO nuclear codes, but to obstruct justice and keep the FBI off Pakistani soil aka the Galleon Group financial link to the terrorist cell Jundallah. Jundallah is nothing more than state-sponsored terrorist activity with a direct link to Pakistani ISI, U.S. CIA."

So there you have it, China has allegedly leveraged the Jew-Bolsheviks into sweetening up the deal, and so will extend the US taxpayers more debt-bondage so the Jews can continue to rule them. The day is coming when there will not be anything portable left to steal, and then it will be time to steal the land itself.

Brother Nathanael, perhaps your sources within Russia can confirm or deny this rumor that Russia is on Red Alert, as this has tremendous bearing on interpreting and understanding Russia's next moves from the perspective of an

ordinary citizen.

6. Dave November 4, 2009 @ 5:29 am

Although there many Jews with sinister motives, one cannot avoid admiring their intellect, perseverance and focus.

Brother Nathanael is no exception to this rule, while he's no longer "Jewish", he is still imbued with the high achieving traits through genetic inheritance.

His work is breathtaking and there are few -if any- other outlets to acquire this depth of knowledge on such an elusive topic.

When money is more available to me, I will once again send it to you.

Thanks

7. Wilson November 4, 2009 @ 5:49 am

"Soros...bought the democratic party." Amazing but true. Who do you think will benefit, America...America or Soros, Rothschild, and Israel?

After shouting for 'equality' and 'fairness' or so long, it does seem to me the Jews were really shouting for inequality and unfairness for the rest of us. Lesson learned? Hope so, because things can get worse...

8. enya November 4, 2009 @ 6:19 am

Are they really Jewish or are they KHAZARS?

9. David November 4, 2009 @ 6:36 am

Satan runs America, his minions now control the government.

Do not expect any mercy from his minions, for there will be none.

Currently they want to give amnesty to as many as 40 million Mexican illegals, which would effectively destroy any kind of conservative base in America.

The Death blow has already be struck on America with the 24 trillion bailout.

The amnesty will be so the criminals can all be reelected.

America has fallen and the heathens now run the country.

10. John November 4, 2009 @ 9:22 am

We are in soooo deep trouble!

Oh well, they take my guns when they pry them from my cold dead hands!

Remember: There are nearly 100,000,000 gun owners in America.

And there is now an organization called "Oath Keepers" who have sworn to uphold the Constitution of the United States of America. This organization is made up of military and law enforcement! I have seen photos of soldiers in Iraq wearing "Oath Keeper" patches on their duty uniforms.

The Zionists had better watch themselves...

11. Joe Cortina November 4, 2009 @ 10:09 am

You know - one thing I really like about Brother Nathanael's writings is the fact that in spite of the fact that I am also an investigative analyst who spends a LOT of time digging out the truth of similar issues - I ALWAYS learn something new from his posts.

I really consider him something of a 'national treasure' whose patriotic contributions to the education of our people to

THE TRUTH - is of a value incomparable.

BTW - my thanks to Fr. Joseph for his efforts to help keep the 'boat of truth' afloat.

I rarely promote my own work - but apparently I have the permission and encouragement Of BN and RZN to suggest you read my newest blog in which I attempted something entirely new for me.

It was a year in the creation. It is a 'story' I created about the Republic - why it was dying - how we saved it - and what we did to insure it NEVER would happen again.

I was inspired by the real life heros and countless acts of selfless sacrifice and bravery of our own colonial Revolution. Also inspired by the impact of the characters portrayed by Mel Gibson in his blockbuster films - 'Patriot' and 'Braveheart'. Mel is 'MY MAN OF THE HOUR'! I would stand by him anywhere!

Like these inspiring movies - my story is based on actual incidents and history - with an imagined happy moral justice filled ending.

Find it at my website == <http://mynameisjoecortina.wordpress.com>

I hope you enjoy it and are inspired by the message. What you must - and will probably realize after you read it - is that IF something at least similar does NOT happen soon - our nation will be as dead as the ancient Roman Empire - and as evil as the worst of the rogue nations of history.

The 'changes' at the end of the story are my own personal concept of justice and fairness tempered with logic and the spirit of the GOLDEN RULE.

Over 90% of my 'changes' from the current Jew inspired status Quo - are simply a reversion to what we were like when I was a child and living in a much more moral far off place. It was our 'Camelot' - our people were generally good people - and we used to call it - THE UNITED STATES OF AMERICA - so totally different from today.

I can scarcely recall our goodness and relative innocence as a more 'Christian' people - BEFORE there was the ZOG!

Please leave a comment and let me know what you honestly thought of my 'story'. It is titled:

'OCCUPIED AMERICA - NOW FREE- SAVED FROM OUR ENEMIES - BOTH FOREIGN AND DOMESTIC'

And of course - don't forget to support RZN!

## 12. Joe Cortina November 4, 2009 @ 11:05 am

I just saw a comment by a reader that made me - as a veteran - and a patriot - want to VOMIT! Will the reader named 'JOHN' please take a GOOD LONG HARD LOOK at your self!

Good God man! - have you actually bothered to READ what you just wrote?! OATH KEEPERS? I took that oath FIFTY Years ago - never had to show it as a patch and have NEVER EVER betrayed it sir!

For some uniformed mercenary psychopathic killer scum to mock that oath by wearing a patch that says 'OATH KEEPER' is one of the most monstrous sick degenerate acts of hypocrisy imaginable!

If a soldier today REALLY has the guts to 'keep an oath and his HONOR - he should wear a 'patch' that damns Obama and the Secretary of Defense and every Zionist bastard traitor that has anything to do with the horrible war crimes we have committed for IsraHELL. Now THAT is patriotism!

Are you a Zionist plant or just plain stupid John? The people that sent those people to murder innocent civilians - are war criminals John - WAR CRIMINALS! They - Obama AND especially Bush are WAR CRIMINALS who trashed our Constitution over and over and over again. Bush the Zionist bastard - EVEN bragged about his disdain for that sacred document - REMEMBER?!

Every single man in uniform there has violated our Consitution - mocked Christ and our TRUE Christian faith and trashed ALL that the Founding Fathers EVER stood for!

How DARE YOU place me and other MORAL veterans who have lived by our code of honor our entire lives — on par

with the sadistic twisted deranged mercenary animals who have disgraced the uniform like that squad of Marines who gang raped a child and murdered and burned their entire family for "fun and thrills" - one of but hundreds or perhaps thousands of such horrid crimes that go unreported daily in Afghanistan and Iraq.

You just don't get it yet - do you?

"The Zionist had better watch themselves"

They don't have the time to "watch themselves" - you idiot! They are watching moron goy like YOU and falling down with hysterical laughter at the fact that THEIR idiot goy puppets who are DYING for them in the Mid-East - are wearing slogans to protect something which they themselves are the greatest enemies of!

Your comment couldn't have been more of an aid and support for Zionist causes than if it had been concocted by the Mossad themselves.

John - YOU and dimwits like you ARE the EXACT reason why we are in such trouble in America today. STOP helping to 'kill our own wounded' in this mortal battle with the Jews. Lenin called them "useful idiots" - Castro calls them "tontos utiles" and the Jew calls you a "shabbus goy" - same thing.

I normally don't bother with 'personal attacks' - but Mr. - this time you went too far! THINK - before you engage your pen or your mouth.

JC-

No money, no Jew peeps.

Christ's words are free for everyone.

Everything else are just "special effects." Walt Disney made a cartoon somehow, called "Oswald the Rabbit."

NO MONEY.

PEN, PAPER. MATTHEW, MARK, LUKE, JOHN.

NO person is GOD, other than Christ. Do you Jews expect me to DIE FOR YOU?

Where will all the JEWS on the planet go, when they have quite thoroughly exhausted everyone else with their antics? A vampire makes LAW.

LOOK AT ME...LOOK AT ME.

LAW? BLOOD SUCKERS, you have been walking the streets of eternity. Ten million people have filled up your coffers of blood on the land, and yet you respect it not.

Christ gave His precious soul to you, and still it just became a river of blood.

Greetings in our Lord Jesus my RZN family:

Took a little stroll through one of the forums at Chicago Jewish News, and was not so surprised to find the administrator of the forum blabbing his thoughts about the "lowly" and "down-trodden" condition of the Jews in "Anti-Semite Land"...or so we are led to believe. Jew Power Configuration? What Jew Power Configuration? In Chicago?

Does BN exaggerate at all? Forum item titled "Feel the Power":

<http://www.chicagojewishnews.com/forums/showthread.php?t=13446>

"By Joseph Aaron (09/25/2009)

"Some thoughts and feelings about some stuff.

"Jews got juice. Boy, do we got juice. Juice, as in power. Or, as we in Chicago put it, clout. Whatever you call it, we got it big time. All over this land. In so many ways.

"I have in the past, made note of some of those ways. And would like now to make note of another.

"Atlantic magazine just put out its list of the 50 most influential commentators in this country. The newspaper and magazine columnists and the radio and TV hosts who have the most impact on public opinion.

"And on the list of 50 are, count 'em, 25 Jews. 25. Half.

"At least. While there are 25 names I am absolutely sure are Jews, there are three others I think are Jewish but am not sure. Bret Stephens is one of them. On the one hand, he used to be the editor of the Jerusalem Post newspaper, which makes me think he's a member of the tribe. But Bret Stephens?

"So there may be 28 Jews on the list, but I know for a fact there are 25. And that, my friends, is quite the mind-boggling fact.

"Half, that's half of the 50 most influential commentators in this country are Jewish. We make up about three percent of the population. And almost that entire three percent is sure Judaism today is under threat and this close to destruction.

"Showing how sick we are and how little we fail to appreciate, let alone embrace, how strong we are, how much power we have. Clout. Juice.

"25 Jews on that list of 50. We should be overjoyed. After all, have you ever heard that thrown at us, have you felt that makes us vulnerable? Actually, knowing Jews, it probably does make you feel vulnerable. But it should make you feel ecstatic. We got power. And, by the way, almost all 25 Jews on the list have very Jewish names. Showing all the more how accepted Jews having power is.

"I say again. What a blessed time to be a Jew. Speaking of clout, we really need to start learning to deal with having it, because we do. A lot, more all the time.

"I know I am one of the very few Jews around who is not terrified about Iran and its leader [Ahmadinejad]. Thanks to Chicken Little Bibi Netanyahu, who makes out like Iran is Hitler times 100, and manipulative bureaucrats like Abe Foxman and Malcolm Hoenlein, who are stuck in a time warp permanently set at 1939, we have become convinced a second Holocaust is this close, thanks to Iran.

[...]

"And it's not just Ehud talking. When he says Israel is strong, he knows what he's talking about.

"Jews today all seem to be experts on nuclear weapons, talk as if they are scientists and so know the threat Iran poses. Well, all you Jewish weapons experts, please know that when I and Ehud say Iran is not a threat, it's not because we don't take [Ahmedinejad] seriously or believe Israel should just hold onto a rabbit's foot and hope for the best.

"It's because Israel is unbelievably powerful.

"As a recent Washington Post article said, Israel is "steadily assembling one of the world's most advanced missile defense systems." The article detailed how, for more than 20 years, Israel has been assembling the weapons necessary to deter any missile attack, including a nuclear attack from Iran. As Uzi Rubin, who ran Israel's missile defense program in the 1990s put it, experts like him are not worried about Iran because they have "the knowledge that an attack will fail."

"And so, even though the head of the Mossad has said he believes Iran is at least five years away from having a nuke, let's say Bibi is right when he says "there is not much time." The point being that even if Iran could attack, Israel is more than able to stop such an attack.

"And once it would, it would be more than able, and very ready and willing, to attack back. Let us remember that Israel has a lot of nukes. And, as Rubin said, Iran is "radical, but radical does not mean irrational. They want to change the world, not commit suicide."

"Israel is strong. Very, very strong. A nuclear power with a potent anti-missile defense shield.

Deal with it." [end excerpt]

Another brilliant article Brother.

We don't have heavy weaponry or monopolized media to fight the NWO, but we have the truth and soldiers in Christ like yourself. This in reality is all we need.

The money masters will one day have to stand before the Son of Man with their shame, and the lake of fire awaits them.
