Israel denies medical teams, food supplies entry to Gaza

Wed, 21 Jan 2009 12:01:19 GMT

Israel has denied Human Rights Watch and aid agencies entry to the Gaza Strip as Palestinians grapple with a shortage of vital supplies.

Israeli officials on Wednesday refused to allow prominent European medical teams and Human Rights Watch representatives to cross the border into the beleaguered strip.

Gazans, meanwhile, are in dire need of humanitarian aid following a three-week long Israeli onslaught on the costal sliver, said Press TV correspondent Akram al-Sattari at the Rafah border crossing.

Gaza hospitals are also running out of fuel supplies while they have to take measures to continue providing service to the thousands of people who have been injured in Israeli attacks.

According to our correspondent, only four truck loads of aid supplies have so far crossed the border into the Gaza Strip.

What I want to say is Press TV is a highly praiseworthy and truthful source of information. Yes, it has to counter world most established medias like BBC and CNN in their efforts to spread false propaganda against other good nations who refuse to bow down to the selfish interest of the western countries and of course their illegitimate child Israel; the fruit of their illicit love affair.

I just don't get it why Israel has control over Gaza's border,when they have been denying all this time that there is no occupation going on in Gaza.& who the hell gave them the right to refuse the badly needed aid to the Palestinians?! & why isn't there anyone condemning these actions?what's with Israel that make it so freaking powerful? Oh,wait,I think I know the ans. They're afraid that if they condemned its actions, they will be called anti-Semites,or maybe even bomb them

Most of the Jews that stole Palestine were from Russia and has not right to this land. They were convertees to Judaism. Most of these people are descendants of the ASKENNAZI's, where the word NAZI comes from. If you study the true history of World War 1 and 2 you will understand that the Jews were right behind these wars. Hitler was a Jew, his father was Rothchild. Most of the Nazi party were Jews. Go do your research and you will see that this is true.

Arabs' tenure in Palestine when they had it, from 638 to 1099, a period of 461 years out of a history lasting 5,000 years. They took Palestine by military conquest, and they lost it by conquest, to the Christian Crusaders in 1099.

The Jews answered him [Jesus], saying, For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God. John 10:33 When many were about to stone Jesus for blasphemy (John 10:30-39), He said to them that said he blasphemed "because I said, I am the Son of God?" (John 10:36). I am a American and a Christian and I supported the action taken in Gaza. While browsing articles on this action I ran across a web site called Presstv. I found this web site to be very ANTI - Israel and every ANTI - Western. I read complaints from Pro - Israel bloggers that there blogs were being erased. Foul language used against Pro - Israeli posters was totally ignored by the staff of Presstv. This web site is one sided, suppressing freedom of speech and is spreading hatred for the Jew.

Israel has the right to go back into Gaza to stop further missile attacks on Israel. Israel has the right to stop the enemy by all means. Next time Hamas acts up like a spoiled child, Israel will do 10 times the destruction then it did with the last little battle.

RE: Free_Gaza

Wed, 21 Jan 2009 18:02:12 GMT
We have - Gaza is free to live on their side of the fence in peace, which by the way is Israel fence also. Israel has the right to close all Israeli border crossings. Israel has the right not to allow anyone or anything passing through its border. This is not a free border. Israel has the right to act like Gaza isn't even there, if it so wishes. Gaza has an obligation to stay on it side of the border. No tunnels under and no missile over the border.

Jokes aside; why exactly - and with what VALID justification are the Zionists denying Human Rights Watch and other humanitarian agencies permission to provide much much needed humanitarian aid to Gaza? The answer is simple; in the eyes of the Zionists (and their sympathizers) the Palestinians are not human - oh dear; does that not sound like how Nazis used to refer to the minorities they murdered (of which a part were Jews)? How strange that the "victim" has become the oppressor.

Israel provided couple of tons of medicine and food into the strip. According to Israel Hamas stole some of the supplies disallowing their passage into hospitals and other humanitarian assistance organizations. They are also preventing Palestinians from reaching clinic setup on the border by Israel. This article only sets Muslim people up to hate Israel. When the facts are opposite of what is happening. Sad.

Like abused children who grow to become abusers, Israel is practicing genocide against the Gazan population. Disallowing assistance is simply inhuman. Barbaric. This has gone entirely too far.

HITLER WAS NOT A GOOD MAN. HE WAS A KILLER. A MADMAN AND IT IS SAD TO SEE THAT PEOPLE HE WAS KILLING DID NOT LEARN ANY LESSONS FROM THAT. RIGHT NOW THEY ARE BEHAVING THE SAME WAY BY KILLING PALESTINIAN CHILDREN,WOMEN AND KEEPING THEM IN A HUGE PRISON IN GAZA AND THE WEST BANK. JEWS ARE PRACTISING SHOAH "GENOCIDE" AGAINST THE NATIVE PALESTINIANS. SHAME ON APARTHEID ISRAEL.

Despite the devastation, I read that Israel has today denied Human Rights Watch and aid agencies entry to the Gaza Strip. This is in-line with their continuing Gaza blockade, supported by USA, EU and Egypt. Obama must order an immediate policy change, otherwise I fear the dire Gaza situation will slide further to disaster.
