Israel presses Pope on Holocaust
 Fri, 08 May 2009 15:42:49 GMT

Israel sees Benedict's visit to Jerusalem an opportunity to outsmart Holocaust denial.

Israel has called on Pope Benedict XVI to condemn Holocaust skeptics ahead of the pontiff's visit to the Holocaust memorial during his Mideast tour.

In a letter to the Pope, Israeli Minister of Religious Affairs Yaakov Margi expressed hope that he would "clearly condemn the purveyors of Holocaust denial and anti-Semitism, some of whom profess loyalty to your Church."

He said the Pope's visit to the Yad Vashem Holocaust memorial scheduled for Monday would give the Vatican the opportunity to "unequivocally condemn and distance itself from Holocaust deniers."

On the other hand, the Coalition for Jerusalem, an alliance of pro-Palestinian groups, on Thursday urged him in an open letter to denounce "yet another wave of Israel's ethnic cleansing crimes" against their people.

The German Pope has recently gone under attack for lifting the excommunication of a Holocaust-denying British bishop and is repeatedly criticized for backing beatification of his wartime predecessor Pius XII who the Jews accuse of failing to speak out against the Holocaust.

Benedict arrived in Jordan on Friday on his first trip as pontiff to an Arab state, where he expressed his deep respect for Islam, while stressing the right to religious freedom.

On Monday, the Pope is due to step on the red carpet in the occupied West Bank. The Catholic leader will also visit the city of Bethlehem on Wednesday before he concludes his eight-day trip to the occupied West Bank on May 15.

People just have to watch him giving a two hand " Horn " salute . When people see it , it will become clear that the Illuminati have taken over the catholi church . And so the Benedict is a fraud .

Nobody denies the Holocaust

Everybody knows that the Hioloocaust was caused by the Jewish CHEKA and NKVD, when they depopulated Ukraine and Russia, killing almost all people who practised any kind of religion.

Benedict is a German nutcase.

He was a member of the Hitler youth. Nobody was forced to do so, even in Nazi Germany. My whole family who lived in Germany during the Nazi time had none of their kids joining the Hitler youth!

Mr. Benedict's remarks about the indigenous people's blessing in South America was disgusting, in fact he stated that to getting killed for the purpose of faith is "all right".

Mr. Benedict's face looks like a demon.

Indeed, the talmudist zionists excelled in blood dripping murder under the banner of revolution and communism.

if he denounces those who oppose the so-called Jewish holocaust. If he does, then I know where he comes from.
