Israel to raze 150 Palestinian homes

Israel has announced plans to demolish 150 Palestinian homes in the mostly Arab east Jerusalem Al-Quds in a move that would displace more than 1,000 Palestinians.

Palestinian homes that are threatened with imminent demolition are located in the neighborhoods of Beit Haninah, Shu'fat, Ashqariyeh, Nusiebeh Complex, Silwan, Thuri, Jabal al-Mukaber, Sur Baher, Mount of Olives, al-Zu'ayem, Isawieh and Ras Khamis.

The Jerusalem Center for Social and Economic Rights (JCSE) stated that the new list of Palestinian homes slated for demolition does not include the 125 homes and apartments against which Israel had previously issued demolition orders.

Israel frequently orders hundreds of Palestinians to leave their homes in the occupied east Jerusalem Al-Quds, claiming that they do not have proper documentation for their dwellings.

The residents, however, argue that Israeli military occupation officials withhold their documents or refuse to issue documents for their houses.

The status of Jerusalem Al-Quds is among the crucial outstanding issues of the Middle East peace process, with the Palestinians reiterating that any Palestinian state should include the city as its capital.

Israel captured the mostly Arab east Jerusalem Al-Quds in the 1967 War and later 'annexed' the area illegally in a move not recognized by the international community.

Tel Aviv continues to erect new homes for Jewish settlers illegally in the occupied Palestinian territory despite strong global opposition.

Palestinians and many other states insist that there can be no peace in the Middle East before Israel quits east Jerusalem Al-Quds, thus allowing it to revert to the Palestinians who want to establish it as the capital of an independent Palestinian state.

My people have spent 500 years trying to erase the JEW from the holy land. Jerusalem a city built by the jew. We had there temple torn down and erected ours. We claim that wich is not ours.

Wait...how is this hatred for human beings if I point out that Western countries under the pretense of christianity have a disproportionately and exponentially high level of genocide and warfare, including the complete annihilation of the Nativess, the genocide in Palestine,the Crusades, and the Holocaust as well.

Uh, Sarah; if ANY "country" is fascist and rife with a history of Oppression, WAR, Apartheid, it IS Israel. They have been cleansing portions of the Palestinian Territories for over one-hundred YEARS, so how you can neglect to accept or state this fact is beyond me! Israel IS behaving exactly as Hitler did; possibly WORSE!

How DID Obama get the Nobel Peace Prize, when he so readily fell back into the usual acceptance of ethnic cleansing of PALESTINIANS? Is his supposed pressure on Israel and then allowing them to continue the horrors of ALL of Palestine anything like PEACE? USA should be ashamed. I know I AM!

Obama is a faker, yet he seemed to care about Palestine; Muslim and Christians, equally discriminated against by Zionists, yet he has proven to be a waistrel. USA should be ashamed. I AM!
