“The terrorist attacks in Mumbai will be used by Zionist Jews as justification for a US invasion of Pakistan, yet another ‘enemy’ of Israel.....The Mumbai operation was too sophisticated for the alleged Deccan Mujahideen to carry out, which, according to FBI, “e-mailed news organizations on Thursday claiming it had carried out the attacks,” - Brother Nathanael Kapner, a born Jew, who has converted to Christianity.

“The NWFP belongs to India and Punjab is on the way,” - India’s prime minister Indira Gandhi told Zionist Jew Secretary of States, Henry Kissinger.

How India’s successive governments with assistance from certain foreign powers to destabilize Pakistan, Bangladesh, Afghanistan, Sri Lanka, and Nepal - is exposed by several writers in the book titled The India Doctrine by Munshi.

Some of India’s founding fathers, such as, Mahtama Gandhi, Nehru, Krishna Menon, etc. were against Europe’s imposition of its “Jewish Problem” upon Palestinians. However, with the passage of time the Congress Party was hijacked by extremist Hindu groups and slowly Indian society was turned into a modern-day Shivaji fighting against ‘Islamophobia’ - as James Laine wrote in his book Shivaji: Hindu King in Islamic India. And the Hindu extremists could not have found better friends than amongst the anti-Muslim Zionists.

On September 10, 2008 - Israel Occupation Force (IOF) General Avi Mizrahi visited India. He met India’s Army, Naval and Air Force top officials in New Delhi. He also visited Akhnur military base in the Indian occupied Jammu & Kashmir valley and addressed a group of Indian military officers on how to fight the local ‘resistance’ by ‘Israeli-style’ - that’s mass killing of youth and smashing skulls of babies. During a meeting both Gen. Mizrahi and Indian Army Chief, Gen. Deepak Kapoor agreed on military cooperation between IOF and Indian Army to fight various freedom movements in India. It was Mizrahi’s second visit to India. Earlier he visited Jammu & Kashmir in February 2007 along with Major General Moshe Kaplinsky and a team of IOF officers.

The atheist leaders of World Zionist movement covertly took Hebrew religious words (Israel, Semites, etc.) to fool the world and their fellow Jews. When David Ben Gurion created Mossad in 1949 - he chose its motto from Jewish Bible (Proverbs 24:6): “For by wise counsel thou shalt wage thy war” - which has recently been changed for a less aggressive quote from Proverbs 11:14 - “Where there is no Guidance, the people fall, but in abundance of counselors, there is victory”.

Mossad has long history of its terrorist operations in the Indian sub-continent. For example, on January 12, 2001 - Indian intelligence (RAW) officers detained 11 foreigners dressed like Islamic preachers in Calcutta who were about to board a Dhakka-bound Bangladesh Biman flight. The Bangladesh government refused to acknowledge them as Islamic preachers and issue visas. Later, they were released under Israeli pressure according to one of the arresting officers. According to Indian intelligence analyst, Ashok Debbarma: “It’s not unlikely for Mossad to recruit 11 Afghans in Iran and grant them Israeli citizen to penetrate a network such as Bin Laden’s. They would begin infiltrating them into an Islamic radical group in an unlikely place, like Bangladesh”.

Not only Mossad has been given a free hand by several Indian state authorities - Israel has become the second largest arms supplier to India after Russia. In 2008 - India’s defence minister Pranab Mukherjee told the law-makers that New Delhi had awarded US\$2.76 billion military contracts to Israel during 2002-2005 alone.

Recent tragedies, both in India and Pakistan (Mumbai carnage, Islamabad Marriot bombing, attack on Sri Lankan Cricket Team and Police training centre in Lahore) - bore all the hallmarks of Mossad 'false flag' operations being blamed on Pakistan and Islamist groups.

On the international arena Mossad's record as world's most deadly killing machine is hardly reported in the Jewish-controlled western mass-media. For example, the 2002 bombing of Israeli owned Hotel Paradise in Mombassa, Kenya was a Mossad operation according to Israeli Hebrew daily Maariv (translated by Gilad Atzmon). Some of the other Israel's other false flag operations include attack on USS Liberty, Lavon affair, Assassination of president John F. Kennedy, Operation Trojan (Libya), Pan Am 103 bombing, September 11 attack, Bali bombing, etc. etc.

Excellent analysis. There are a few brave activists in the West who recognize the Zionist problem and are speaking out to warn the public but they are terribly underfunded and suppressed by the mass media. Besides Brother Kapner, another great writer is Michael Hoffman whose new book "Judaism Discovered" exposes the hateful beliefs that are at the core of the Zionist mentality.
