Identifying Illuminati Mind Slaves: Case Study #1

The Globalists Conspirators, **known as the Illuminati**, use the Phoenix as their most important symbol. Their motto being "Order Out of Chaos". The Phoenix, a mythical creature dies by fire and is reborn from its own ashes.

disassociation and multiple personality syndrome (The Phoenix dying). [Mind Programming](#) is the other half of the equation (Phoenix Rising) whereby the ritually abused are then rebuilt; multiple personalities segmented, assignments and purpose programmed into the individual.

The result is, a Jeekyll and Hyde persona, the most dangerous illusion of our time. The question is, how do you smoke out these rats? What do you look for? How do you "Profile" a member of the conspiracy?

In the next few posts, I will profile individuals I believe to be both mind-programmed and dangerous. If you have money, power, influence or have investigated these issues yourself and are a potential or known threat, you probably are now, or will shortly become a target of these criminal psychopaths. Learn from my experiences how to protect yourself.

CURT MCLAUGHLIN (AKA Curt Windhorst):

Lesson 1: "Beware of flattery and how you choose your friends."

PROFILE: Curt had great credentials with the Church and Society. A true "Golden Boy" with a charismatic personality used to draw people in. Good looks, expensive home, trophy wife and children. All blue eyed with blond hair (the Aryan ideal). Drove a BMW.

ILLUMINATI ROLE: INFORMER. Curt followed me around everywhere I went, worked his way into becoming a trusted advisor and confidant. He also

had a hidden tape recorder in his planner and recorded everything I said. "These people are trained to observe details and conversations with photographic recall. They are trained to report to their local cult leader or hierarchy, or trainer, and will download large amounts of information under hypnotic trance. Detailed knowledge of conversations or even documents can often be retrieved in this manner" (Svali)

Curt was placed in my life to both influence me and report back to his "Illuminati" handlers on my documents, personal life, interests, relationships, strengths and weaknesses. He was the "mole" in my organization.

Other Evidence of Illuminati Involvement:

1. Curt's stepsister: Here is a notarized statement from Kiersten Ann Windhorst claiming that he sexually molested her when she was between the ages of 9-12. Sexual molesters were almost always victims of sexual abuse themselves. A physical exam of the perpetrator would easily verify this. Sexual abuse is also an important part of training a mind slave like Curt. One thing is certain, for every instance of known sexual abuse committed by a predator, there are over 28 unknown instances that go undiscovered.

If you suspect sexual abuse of your child by a predator, obtain a medical exam of the victim before you do anything else. This will confirm or alleviate your suspicions. Illuminati abusers usually sodomize their victims. Make sure you ask the physician to examine the victim's rectum for scars or lacerations.

2. I unknowingly worked for an Illuminati Company: (Note the "Red Shield" (Rothschild) on the Farmers logo over a rising sun (eye of Horus/All-Seeing eye, Lucifer the light bearer). Unknown to me, Farmers Insurance was owned and being used by the Illuminati as a front operation for its other "operations". Including political bribery and gambling.

If you work for an Illuminati front company you will be compromised by your paycheck into doing things unethical or illegal. Criminals like to compromise their employees in case they ever "turn honest".

3. They will tempt you with sex (yes, they train their daughters to be mind programmed sex slaves). I cannot count the number of times I was approached in this area. If you give in, you will be photographed, videotaped and blackmailed. In other words, you will be forced into doing their will. I never gave in and always made sure I had somebody with me when I was interacting with a member of the opposite sex.

4. They will try to kill you: Curt Windhorst was also involved in the Illuminati plot to kill me. He tried to overdose me on Celebrex (he had a stash of drug samples from his former employer Pfizer). I was deathly ill and forced to visit an emergency room as a result.

5. They Have Money from Nowhere: Curt functioned as a go between/courier between the Farmers Insurance Illuminati and the Utah Illuminati. I audited him and found a \$30,000 inexplicable payment in his bank account. The cult controls the world's wealth and they do pay financial rewards to members that perform their tasks well.

6. They will Bribe Outsiders. Curt served as an intermediary between the Farmers Insurance Illuminati and the Farmers Insurance Agents that had complained to me they had been discriminated against. All of the agents were bribed or intimidated into withdrawing their complaints.

Curt also served as the courier between Farmers Insurance Illuminati and my business partner, who accepted a \$100,000 bribe to ruin my reputation, business and finances.

7. They are "taken care of": Curt has never been prosecuted for any of the crimes he committed, in spite of the evidence against him. Instead, he changed his name and moved to another state. He now works for another Illuminati owned corporation as a high level sales executive. That company is Baxter.

In spite of his shady past and criminal dealings Curt was hired by Baxter as a Senior Sales Executive. Baxter is a medical outfit that has been tied to the swine flue virus.
