[Khazar Empire, Illuminati and New World Order](#)

- This is a video lecture by Jack Otto of Forbidden Knowledge fame. He gives his understanding on the hidden history of the Khazar empire, the Illuminati, banking cartel and their links to the New World Order.
- [The Khazars were a Turkic people who originated in Central Asia.](#) The Khazar empire is located north of the Caucasus mountains region.

- In the book [The Thirteenth Tribe](#), Ashkenazi Jew Arthur Koestler documented the history :

This book traces the history of the ancient Khazar Empire, a major but almost forgotten power in Eastern Europe, which in A.D. 740 converted to Judaism. Khazaria, a conglomerate of Aryan Turkish tribes, was finally wiped out by the forces of Genghis Han, but evidence indicates that the Khazars themselves migrated to Poland and formed the cradle of Western (Ashkenazim) Jewry...

The Khazars' sway extended from the Black sea to the Caspian, from the Caucasus to the Volga, and they were instrumental in stopping the Muslim onslaught against Byzantium, the eastern jaw of the gigantic pincer movement that in the West swept across northern Africa and into Spain.

Thereafter the Khazars found themselves in a precarious position between the two major world powers: the Eastern Roman Empire in Byzantium and the triumphant followers of Mohammed. As Arthur Koestler points out, the Khazars were the Third World of their day, and they chose a surprising method of resisting both the Western pressure to become Christian and the Eastern to adopt Islam. Rejecting both, they converted to Judaism.

The second part of Mr. Koestler's book deals with the Khazar migration to Polish and Lithuanian territories, caused by the Mongol onslaught, and their impact on the racial composition and social heritage of modern Jewry. He produces a large body of meticulously detailed research in support of a theory that sounds all the more convincing for the restraint with which it is advanced.

Mr. Koestler concludes: "The evidence presented in the previous chapters adds up to a strong case in favour of those modern historians - whether Austrian, Israeli or Polish - who, independently from each other, have argued that the bulk of modern Jewry is not of Palestinian, but of Caucasian origin. The mainstream of Jewish migrations did not flow from the Mediterranean across France and Germany to the east and then back again. The stream moved in a consistently westerly direction, from the Caucasus through the Ukraine into Poland and thence into Central Europe. When that unprecedented mass settlement in Poland came into being, there were simply not enough Jews around in the west to account for it, while in the east a whole nation was on the move to new frontiers" (page 179, page 180).

“The Jews of our times fall into two main divisions: Sephardim and Ashkenazim. The Sephardim are descendants of the Jews who since antiquity had lived in Spain (in Hebrew *Sepharad*) until they were expelled at the end of the fifteenth century and settled in the countries bordering the Mediterranean, the Balkans, and to a lesser extent in Western Europe. They spoke a Spanish-Hebrew dialect, *Ladino*, and preserved their own traditions and religious rites. In the 1960s, the number of Sephardim was estimated at 500000.

The Ashkenazim, at the same period, numbered about eleven million. Thus, in common parlance, Jew is practically synonymous with Ashkenazi Jew.”

In Mr. Koestler’s own words, “The story of the Khazar Empire, as it slowly emerges from the past, begins to look like the most cruel hoax which history has ever perpetrated.”

As expected, *The Thirteenth Tribe* caused a stir when published in 1976, since it demolishes ancient racial and ethnic dogmas...At the height of the controversy in 1983, the lifeless bodies of Arthur Koestler and his wife were found in their London home. Despite significant inconsistencies, the police ruled their death a suicide...

2. This is very interesting but it is far from new. The Thirteenth Tribe was published more than 30 years ago. It is a very informative, well researched book written in a non-inflammatory style. Why is it not more well known and more accepted? People will continue to believe only what they want to believe.

6. “When we talk about Jews we are talking about those Khazar warriors.”

They are long dead. Fighting ancient battles based on ancient prejudiced is not rational.

Lets deal with those living now. Are you insinuating bigotry is o.k. because of the “sins of the fathers.”..

Hi,

Ezekiel 18 :

19 “Yet you say, ‘Why should the son not bear the guilt of the father?’ Because the son has done what is lawful and right, and has kept all My statutes and observed them, he shall surely live. 20 The soul who sins shall die. **The son shall not bear the guilt of the father, nor the father bear the guilt of the son.** The righteousness of the righteous shall be upon himself, and the wickedness of the wicked shall be upon himself.

21 “But if a wicked man turns from all his sins which he has committed, keeps all My statutes, and does what is lawful and right, he shall surely live; he shall not die. 22 None of the transgressions which he has committed shall be remembered against him; because of the righteousness which he has done, he shall live. 23 Do I have any pleasure at all that the wicked should die?” says the Lord GOD, “and not that he should turn from his ways and live?

24 “But when a righteous man turns away from his righteousness and commits iniquity, and does according to all the abominations that the wicked man does, shall he live? All the righteousness which he has done shall not be remembered; because of the unfaithfulness of which he is guilty and the sin which he has committed, because of them he shall die.

7. On November 4,Americans could have voted all these criminals out- those who supported the bailout, wars etc. They voted 95% of them right back in. They will soon get the fruits of what they have paid for. Not just in 08 election, but for many elections of prior voter malfeasance. The responsibility and the consequences are individual. It starts with one.

8. The world is run by 3 city states. They are Washington, DC(military), inner city of London (financial), and the Vatican(religion, all religions). All religions are like Freemasonry, a visible part and an invisible part. In the invisible part they worship Lucyfer(Isis, Venus, Ishtar, Hera, Aphrodite, etc.) and know it. In the visible part they worship Lucyfer without knowing it. America is still a British(German) colony.

The 3 city states are run by the descendants of Cain, Ham(Naamah), Canaanites, Esau(married into the Canaanites, Hittites, Hivites, Ishmael’s daughters, other middle eastern peoples, Khazars(Ashkenazi), Spanish(Spanish Edomites/Sephardic), and the tribe of Dan). The 3 city states control the “east” and “west” which are only an illusion.

Thesis/antithesis/synthesis.

All elections of all countries are a farce.

People become responsible when they have 100% TRUTH, which is non existent today. The

only way to maybe defeat them is to question everything, think outside the box and quit fighting other parts of the masses. As long as the masses continue to fight each other the elite will continue to win.

9. Well, I think Koesler's work is important in showing that Judaism is a religion not a race. For example you can have Native American Christians. They are still Native American racially. Archaeologically there is not much to prove that Abraham existed like the Bible tells us he does. The story may have been snatched from another culture. Even so, the whole religious ideology should be removed in the way we, (the US) deals with Israel. I recently wrote a blog entitled "Forgiving the Holocaust".

10. These fake jews (Khazars) are the one and only reason that we find ourselves after over 2,000 years since Jesus walked the physical plane, having not evolved to a higher consciousness and harmony.

These parasites, coupled with the compromised gentile authorities they have subverted along the way, are the enemies of mankind, pure and simple.

The time is way way overdue for them to be neutralized and justifiably so. For they have degraded mankind through their trickery, murder, pornography and unjust money system. As Andrew Jackson said in 1832 about them, with regards to the 2nd bank of the U.S. which he was denying a recharter on the grounds that it was a threat to the "liberties of the people." He said, "You are a den of vipers and I will root you out and destroy you." Jackson saw the threat and after a lot of toil denied the international jew money changer the right to debase the money supply. A short time later he was the first president targeted for assassination.

The time is long oversue to overturn the Debasement of the natural goodness of the peoples by this sinister group, and rightfully return us to the natural order of things. It looks like we'll need divine intervention of some sort to overturn this major plague.

Thus, the restoration towards a just balance in the governing systems of the world with an eye towards raising the consciounes back to square one should be the overriding priority as we hover over the abyss. This will have to be a cosmic catalyst.

13. If Americans are such good Christians, why do they support a religion that teaches Jesus is in hell boiling in excrement?(Talmud) Jesus warned that the Jews were of the synogogue of satan. Peerfect description. Also, the Bible warns us about loving money(mammon) to much. What does a Jew love more than money? NOTHING!

Hi,

I do not subscribe to a view that says a race is all good or all bad. It is nonsense. In every country and race, there are good people and evil people. There are also misguided people. So discernment is needed.

Such generalization : What does a Jew love more than money? Nothing! is Untrue ! It will not promote peace and love for your fellow man. There are many Jews IMO that are far better person than what I will ever be. And I am learning from such people.

So please: let's have constructive criticism. And let's promote love and goodwill to our fellow man. Remember Jesus said with regard to men : Love your enemy! Love those that hate you and deceitfully persecute you. Jews are not the enemy. Satan is. Jesus Christ is a Jew! So I love Jews and hope that God will guide them and open their eyes to the truth : Yeshua Hamashiach !

May God my savior bless you and keep in peace and love for our fellow man! Including Jews!

15. The Khazars did NOT convert to the Judaism of Abraham and Moses...No they converted to TALMUDISM which IS Babylon Mystery Religion (aka Satanism). It is the blasphemy from Babylon where the people tried build a tower to heaven to do battle with God. Through these fake Jews Satan has worked a plan to devour the world and the plan is very nearly complete. The USA IS the Harlot of Babylon controlled by the fake Jew money changers since 1913 and used to create the conditions for a One World Government. The USA will meet a swift end (as in nuclear war) for its part in this scheme.

Obama is going to make a big military/diplomatic move to try and separate Russia from its oil in a desperate attempt to save the US Dollar. The resulting chaos will be the needed condition to usher in the NWO.

16. 90% of Israeli Jews genom is identical with Kurds and local Arabs, and only 10% with Europeans. That's when about 3/4 of the population is either Sepharadim, Yemanaites, Ethiopian(not jews according to the Rabinat) and mixed people. Even then, Ashkenazim are split between 'real ashkenazim', 'Sepharad refugees'(who fled year 1492 inquisition) and mixed. Current distribution:
USA: Ashkenazim ~5 million, Other ~ 1 Million
Israel: Ashkenazim ~1.5 million, Other ~ 4.2 Million
Europe(incl. Russia/CIS): Ashkenazim ~1 million.

Given the current trends of Sepharadim high birth rate and USA/European Ashkenazim mixing with white-christians, then by ~2030 break-even and by century's end nearly only Sepharadim, where the Israeli ones will be forced in to Islam, if the country isn't nuked much earlier.

23. This new/old form of anti-Jewish hatred has no basis in understanding. Just like Christianity and Islam, Judaism is made up of peoples of multiple races. When one goes to Israel now and looks at the multi-racial composition of the Jewish people there, this truth is easily seen. To try and vilify one of the races of people that comprises Judaism (that happens to be the majority)

using this lie is worse than dishonest. It an attempt to deceive people as to what a real Jew is, and fire up old anti-Jewish sentiments once again.

26. You should know that Koestler's theory is not supported by any genetic or historical evidence. You can start to find the facts [here](#) and go from there.

Hi,

Thank you for your comments. On genetics and genealogy this link is also pretty interesting :

<http://www.khazaria.com/genetics/abstracts-jews.html>

Personally, I don't think all these genetic or genealogy is as important as whether a person is a good person or bad person. Over emphasis on race usually results in negative connotations. It is more important that a person is right before God, what ever race he is from is inconsequential.

History wise for me at least it is fascinating being an avid reader of history. It is my opinion that human history is probably 30-40% propaganda as found in the textbooks. The problem as always is : which portion is 30-40% incorrect? Can I be totally wrong on any historical aspect? Absolutely!

May God bless you and your family and bless Israel with love for Yeshua Hamashiach !

Tell us something we can use. This is pure hate mongering designed to make you angry though most of it is true. What about the Bolsheviks that killed gazillions of Russians as well as the Romanovs.

I suspect that liberty is why these 'people' run the place. I also suspect that the Jews were 'chosen' by these satanists to be the scapegoat long long before even the pyramids were built.

29. The first so called "Fake Jews" were Edomites descended from Jacob's twin brother Esau. Impersonation was employed by Rebekah using goat skins and Esau's clothing on Jacob to secure Isaac's blessing. Their symbol is the "Eagle"; scripture does not support the theory that Israel's Tribe of Dan used it as Koestler suggests. The Society of Red Men can be tracked by following the Red Sun, Red Dragon, Red Star, Red Shield, Red Cross and Red Crescent.

33. I'm not sure it really matters what "race" or "religion" specifically the corrupt Money Changer Elitists are as someone above posted you can't blame a whole group for what some of those in that "group" do. The MAIN thing that should be kept in mind is that these Elitists (and their puppets) work night and day to maintain their chokehold of CONTROL on the rest of the world's citizens and every day tighten the noose of slavery to absolutley CRUSH any last bit of Independence of the world's citizenry.

David Rockefeller summed it up all so well in his notorious speach to the CFR monieed Elitist crowd with his words that a world controlled by the rich international bankers and "intellectuals" was surely preferable to a world filled with self determining Republics using Democratic ideals and that either people must come to accept this bondage willingly or it would be achieved by conquest.

This I think is going to usher in the "Final Armageddon" when citizens get so fed up with Rich monied Elitists types trying to micromanage and surveil citizens every move, word and thought 24/7 using every bit of treachery and destructive means to bring this about that there is going to be one hell of a rebellion. And now that the world can see clearly who the REAL TERRORISTS are (behind the small groups of patsy terrorists) these worshiper of "Lucifer" might not even be safe in their fortified bunkers much less to walk the streets and be seen in public. Get ready. The world is going to throw these parasites off once and for all and I see one HELL of a "Final" battle brewing for the right of people to just live and be left alone.
