### [List of non-gov organizations that control with money](#)

 by [MikeWB](#) » Mon Apr 20, 2009 7:34 pm

I'm looking for a list of non-governmental organizations that use their tax-free status to fund various causes of their masters. Stuff like Rockefeller Fund, Soros' Open Democracy etc. Anyone know where to find the list of sinister ones? I've googled few lists that list all of the NGOs and these lists are huge but full of irrelevant charities.

Thanks!

I'm in the middle of collecting a bunch of 'em that have a zionist flavor. I think almost all of them have offices in USA, so we need to build a list for Europe, too:

Amcha

Amcha is supported with funds from the Claims Conference.

AMCHA - The Coalition for Jewish Concerns is an independent grassroots organization dedicated to raising a voice of conscience on behalf of endangered Jews around the world. This global effort includes countering anti-Semitism, advocating for Israel, preserving Holocaust memory, and other pro-Jewish activism.

No problem, in fact I'm sort of relieved that this list is archived on TiU.

I'll be adding some of the following leads in the next week or two:

The Acton Institute  
The American Civil Rights Institute  
American Legislative Exchange Council  
American Zion Commonwealth  
American Zionist Committee  
American Zionist Council  
Aspen Strategy Group  
Bilu  
Birthright Israel  
Cato Institute  
Center of the American Experiment  
CSIS  
The David Project Center for Jewish Leadership

The Temple Institute  
Washington Legal Foundation  
WinstonChurchill.org  
Women for Israel's Tomorrow  
Yesha Council  
Young America's Foundation  
Young Judaea

I found these NGOs by lightly scouring each NGO web site for leads to other foundations and charities.

It's a never-ending process as these morons have an endless lust for establishing foundations.

And just imagine all the money-laundering possibilities these "righteous" charities provide... sort of like using Chabadniks to smuggle ecstasy.
