Illuminati: By Henry
Makow Ph.D

THE "TRUTH
SEEKER"

"For those that
Really Want to

We have been taught since our childhood that if we just work hard, everything, including wealth will come our way. The news and our history are full of people who came from nothing and became extremely wealthy by "luck" and hard work.

But, what if all is not as it appears to be? What if there is an invisible hand that controls the world's real wealth and only those that are part of a specific group of individuals, trained from birth, truly get filthy rich. The Protocols of the Learned Elders of Zion claim as much:

" In our day the power which has replaced that of the rulers who were liberal is the power of Gold. Time was when Faith ruled. The idea of freedom is

impossible of realization because no one knows how to use it with moderation. It is enough to hand over a people to self-government for a certain length of time for that people to be turned into a disorganized mob. From that moment on we get internecine strife which soon develops into battles between classes, in the midst of which States burn down and their importance is reduced to that of a heap of ashes. " (Protocol #1)

And so, the Illuminati control the real monetary wealth, gold, and give us little pieces of paper that we call "money". They charge us interest to use their little pieces of paper, and then they tax our income to pay the charge for using their little pieces of paper. All in the name of "keeping the peace".

This wealth is as multi-generational as the Conspiracy itself. It originated with Europe's first bankers, the Knights Templar, and it has been handed down ever since from father to son. The Illuminati leadership hold this wealth "in common". That is, they can use it as long as it advances the Illuminati Agenda. I believe it remains in the Swiss Vaults. The ones that stay nameless and faceless except for a Swiss bank account number.

I also believe that the Illuminati Jews are the

agents for this wealth. That they were recruited by the fallen Knights Templars to be their "front men". It is the only logical explanation for the immense fortunes that they have under their control to this day.

"Great Expectations", by Charles Dickens, tells the story of a boy who helped an escaped convict and in return, was given to manage a "large fortune". This boy was educated to be a "gentleman" by the same ex-convict's money and took his position in "high society". In return for the favors at his benefactor's hands, the lad later helps him escape from the law and his mortal enemies.

It is easy to wonder how many throats were slit, widows impoverished, and other crimes committed to amass such a fortune. So it is with those that exercise power and control of the material wealth in our world.

"Whether a State exhausts itself in its own convulsions, whether its internal discord brings it under the power of external foes - in any case it can be accounted irretrievably lost: IT IS IN OUR POWER. The despotism of Capital, which is entirely in our hands, reaches out to it a straw that the State, willy-nilly, must take hold of: if not - it goes to the bottom."

It doesn't get any clearer than that, a nation must take hold of the Satanist's hand if they "don't want to go to the bottom." And so we end up with "Babylon the Great, the Mother of Harlots" upon whose crown is written the names of blasphemy and whose cup is filled with filthiness". (Revelation)

Babylon is not one particular nation. It is an economic system that governs over all nations. Ancient Babylon was known for its idols of gold, silver, wood and stone. All of these things came before God and the welfare of our fellow beings.

It derives its name from the Tower of Babel. The founder of which was Nimrod, a mighty hunter of the people of the Lord. Tradition, Scriptures and History holds that Enoch, who was a great Prophet of God, built a city that was "translated" and taken into the heavens before the flood. The nemesis of Zion was Atlantis, a society that enslaved the nations of the earth through a great conspiracy like the one in our day. In ancient Zion, there was liberty. The people had cleansed themselves from the inside out by following the Commandments of God.

In Atlantis, through manipulation, narcotics, bribery, murder, physical and mental slavery, brute force and fear, 90% of the population were forced to submit to the wills of those that ruled over them. Atlantis progressed through Science (so called) and

Zion through faith.

Enoch's city of Zion was caught up into the heavens before the flood wiped out Atlantis. It apparently was still visible in the sky in the time of Nimrod. This is why he built the tower of Babel... to get to "heaven".

"After the Flood, Noah had a talented, but evil, great-grandson named *Nimrod* (Genesis 10:6-10) who rebelled greatly against God. The Bible says that he was "a mighty one" Jewish tradition indicates that Nimrod was a tyrant "who made all of the people rebellious against God."

It is evident from history that Nimrod was not only a political leader, but also the lead priest of a form of occultic worship."
(Source)

Nimrod wasn't a very good man. His goal in building the tower, was to enter Enoch's world and then "slay God". In other words, he wanted to steal God's throne. Because of communication issues (the confounding of the languages) the project was abandoned.

Nimrod was also skilled in the use of the occult. When another threat developed, this time in the City of Melchizedek or "Salem", Nimrod declared war on the followers of God on earth. Melchizedek, who is believed to be Shem, the son of Noah, slew Nimrod and hacked his body into many pieces,

sending them to the four corners of the earth.

" When Nimrod eventually died, the Babylonian mystery religion in which he figured prominently continued on. His wife, Queen Semiramis saw to that. Once he was dead, she deified him as the Sun-god. In various cultures he later became known as Baal, the Great Life Giver, the god of fire, Baalim, Bel, Molech, etc." (source)

In Egypt, which replicated the Baylonian and Atlantean political and economic state, Nimrod was worship as the god "Osiris", who was slain by his brother Set. Set hacked Osirus to pieces and sent the parts to the four quarters of the earth. The eye of Osiris (and his son Horus) the Sun God, is what is on the top of the pyramid on the one dollar bill.

The Illuminati believe that Lucifer, the fallen "light-bearer" and the giver of false science, is the real god of this world. They also believe that Jesus Christ usurped his kingdom in heaven. They claim that Lucifer will come and reign over an "age of enlightenment and reason". They also believe that Atlantis, Babylon and Egypt are the political ideal. Like Nimrod, they desire to bring about "One World Order" under the reasoning of their "Philosopher Kings" who will establish a new "Plato's Republic".

In Plato's Republic the top three tiers are governed by 1st, the Philosopher Kings; 2nd, the Military Ruling Class and 3rd, the Merchant Class (Illuminati Jews). These three classes constitute the Three Highest Degrees in Freemasonry. Freemasonry was and is the vehicle being used to bring this New World Order about. Now, back to our story:

“Later, when this adulterous and idolatrous woman gave birth to an illegitimate son, she claimed that this son, Tammuz by name, was Nimrod reborn.” Semiramis “claimed that her son was supernaturally conceived [no human father] and that he was the promised seed, the 'savior'” - promised by God in Genesis 3:15. “However, not only was the child worshipped, but the woman, the MOTHER, was also worshipped as much (or more) than the son!”[5] Nimrod deified as the god of the sun and father of creation. Semiramis became the goddess of the moon, fertility, etc.”

(source)

Semiramus also had an incestuous relationship with her son claiming he was the reincarnation of Nimrod. She became the goddess Ashtoreth & Ashtarte in Canaan. Worshipped as Isis in Egypt, Aphrodite In Greece and Venus in Rome. The symbol of her union with Baal was the six pointed star,

ironically the same star that was imposed by the Illuminati Rothschilds on the flag of Israel. The symbol is abomination according to the Old and New Testament (See Acts). It literally represents the sexual union between male and female (the two triangles).

Obviously, this does not make the Jewish nation occultists, but it clearly shows the intentions of the Illuminati to claim the Jewish nation, and the rest of the world, as their own.

Now, about Set, or Saturn, or Molech, Baphomet,/Satan. The Illuminati believe that Satan is Lucifer's evil brother. They believe he is the god of chaos that will manifest himself first before Lucifer can initiate his "Age of Reason". Thus we have the Illuminati slogan, "Out of Chaos, Order". They worship Satan through human sacrifice. War by the way, is considered a sacrifice to Satan by the Illuminati. So is genocide and mass murder.

They also believe that they absorb the "light and energy" of those they murder, making them that much more powerful. While Lucifer is worshipped, Satan is appeased. The Egyptian god Set, by the way, was a homosexual. So, the occultists promote and practice homosexuality as a way to become one with Satan.

Check out "The Two Babylons" by Alexander Hislop

Ditto on that "The Two Babylons" recommendation...it's available on-line. After reading it on the net, I purchased a copy. Next to the Bible, it's the most important and influential book I've ever read (and I've read it SIX times now.) After reading it, the "Mystery" religions aren't so very mysterious anymore, and Hyslop's revelations have direct impact on today's world. Read it. It's
