## ***Are Rockefellers & Sotomayor Illuminati Jews?***

*(Jay Rockefeller, left)*

**by Willie Martin**

**A book overlooked by most people and published for sale mainly within the Jewish** community states that the Rockefellers are Jews of Sephardic descent (meaning Spanish and Portuguese Jews). The work was published only for Jews some years ago. The work was compiled by the Jewish

historian Malcolm H. Stern and entitled *"Americans of Jewish Descent."*

That book weighed 10 pounds and gave the history of 25,000 Jewish individuals in America. It is extremely interesting to note that only 550 copies of the book were printed and each copy was consecutively numbered. The book was delivered to the top Jewish community leaders in America for their personal reference files in dealing with and contacting Jews who are "*Marranos*" (those Jews who "**PRETEND**" to be Christians in their community but secretly hold to their Jewish faith and race when among their own kind.)

Stephen Birmingham in *"The Grandees"* reports: *"Who would expect to find the Rockefellers in the book."* Stern's work traces what he calls the *"Nobility of Jewry - the Sephardim who lived in Spain and Portugal as princes of the land."* Many centuries ago the Jews flooded into Spain in great numbers and through usury and stealth became vast land

owners. The Jews controlled both Spain and Portugal through their monopoly over the finances of the country.

It was in 1492 that King Ferdinand and Queen Isabella of Spain expelled the Jews from their country and confiscated their ill-gotten wealth. It was during this period that the Rockefeller family moved to the Turkish Empire which welcomed the Jews at that time, believing them to be a *"poor persecuted people."*

The grandfather of our former Vice-President Nelson Rockefeller, admitted that his family once moved from Turkey to France. It was from France that they moved to America. John D. Rockefeller, Sr., was a wealthy man even before he took over Standard Oil Co., which made their family one of the richest in the world. No one has ever explained how this family came into such wealth as soon as they arrived in America from France.

There is no known information on how the Rockefellers came into huge amounts of money in France. Some thing they got their money from the Rothschilds and were originally their agents in buying up Christian businesses in America. *"Marranos"* are Jews who **"PRETEND"** to convert to Christianity so as to deceive Christians in their business dealings, but secretly continued to practice Judaism in private rituals. For this reason, a Marrano family like the Rockefellers would make the perfect tool for the Rothschilds of France who have for centuries used secret agents to carry on their work.

*"The Thunderbolt"* was the first publication to bring Vice-President Nelson Rockefeller's Jewish ancestry to public attention. This information finally explains why he has always been able to work so closely with Jewish interests and why his administration as Governor of New York was loaded down with Jews from top to bottom. His political campaigns of the past were always directed by Jews and he was always the support of the Jewish community in all of his political races.

Normally the Jews would not support a Christian multi-millionaire for political office because they would be afraid they could not control him after the election. The fact that Jewish community leaders have long known that the Rockefellers were fellow Jews goes a long way in explaining why the organized Jewish community has always supported the Rockefeller's political ambitions. Now we can see why Nelson and David Rockefeller boosted his fellow Jew Henry Kissinger into the Nixon administration and Kissinger in turn has used his position to bring his fellow Jew, Rockefeller into power.

## Identity Politics: Is Sotomayor a Latina or an Illuminati Jewess? --Reader asks

It appears that  
Sonia

Sotomayor will

be placed on the Supreme Court; the girl who was brought up as a Catholic, but during her her days at University belonged to the Latino organization and all went to Sunday mass except her - Imao, sounds like an echo in the room with the likes of Nancy Pelosi who is another yenta; speaks Yiddish fluently, but this Italian gal can't speak Italian - the Pope knew and he gave her a 15 minute interview with a smile on his face.

Sonia's family originated in Spain during the late 1400's and then fled to Portugal; then on the Chile, Puerto Rico, and US over hundreds of years. There is a very special website that gives the names of all Sephardic Jews in the world and one only has to research: Soto, Mayor, Sotomayor, and her mom's maiden name of Baez; not to mention a simple look at photos of her and the mother.

This is a satanic movement who is stacking people in all the important positions of power. This all reminds me of the good Catholic boy called Hugh Hefner who finally came out of the closet a few years ago to admit he was really a [Sabbatean] Jew.

Another reader:

"Sottomayor are a powerful Banking Family in Portugal... All Sottomayor's are in some way connected to the Banking Empire."

Makow comment: She is divorced with no children. She was a member of the women's only (lesbian?) "Belizean Club" patterned on the Illuminati (homosexual) Bohemian Grove.

Another Reader: Tisha Bav, an ancient Jewish holiday that is the most sacred Shabbatean festival, because it's also supposedly Zevi's birthday, coincides with Bohemian Grove. And Shabbatean rituals on Tisha Bav are known to involves various sex rites, wife swapping and incest. Antelman didn't think there was much to the coincidence, but if his claims are correct, then we should expect that the Illuminati to this day are comprised largely of Shabbateans. Which would suggest that the leading families are all or mostly crypto-Jews, as are the Rockefellers. I would also suspect that the Bushes are.

You can find "Bush" listed in sites of Jewish names. And Pike mentions in his Grand Constitutions that a Samuel Bush was a "Grand Elect, Perfect and Sublime Knight, blah, blah.." Here's what I found:

"In the year 1761, a certain Stephen Morin was invested by the Grand Consistory of Sublime Princes of the Royal Secret in Paris with power to carry the Rite of Perfection to America. Among those who signed the paper was the Duke of Chartres, afterwards the Duke of Orleans, 'Philip Egalite', grand Master both of the Grand Orient and the Templars, and Morin himself is described as a Grand Perfect Elect and Past Sublime Master., etc., of all orders of Masonry.

"Now it has been stated that Morin was a Jew, but the Jewish Encyclopaedia, in its article on Freemasonry, says that this point is in doubt. What is certain is that when Morin arrived in America he gave powers to a number of deputies who certainly were Jews. Thus, for example his deputy inspector, Henry Francken, appointed Moses M. Hayes at Boston, and Hayes in his turn made Brother Da Dosta deputy inspector-general for south Carolina, Solomon Bush deputy

for Pennsylvania, and B.M. Spitzer deputy for Georgia."

**I often wondered about that, because Harriman was in Skull and Bones too, and I always assumed he was Jewish. So I wondered what a Jewish family like his was doing cavorting with the likes of the Bushes.**

Letter from a reader:

My mother knew a retired opera singer who sang with Caruso and who also dined with the Rockefellers when she toured Europe - she played Prague, Vienna, Budapest and Milan among other venues.

She got invited to their home, I guess, because this was the heyday of opera. She told my mother a lot of things and was on to the global elitist issue way back then.

She stated that the Rockefellers were from Turkey and their original name was (and I can only sound this out, not spell it)

Raw-gen-mute

which apparently was the name they used in Turkey. She said the servants at the house told her that (and a few other things)

Another **Reader challenges these sources:**

I read the article on your website 'Are Rockefeller's & Sotomayor Illuminati Jews ? I'll tell you an interesting story about this article written by Willie Martin.

About two years ago Mark told me about the book in question 'Americans of Jewish Descent' by Malcolm H. Stern.

I checked the Toronto Public Library website and they have one copy of this rare book at the huge downtown reference

branch. I went there one day before work and looked over the book to find out if there was Jewish Rockefeller's mentioned.

To my disappointment all I could find in the genealogy section and the names index was one listing for a Rockefeller and I

looked it up in the genealogy chart. It was a Rockefeller that I never heard of married to a Jewish person I never heard of. No

'smoking gun' here. I photocopied the genealogy chart and the index and the cover to the book. I e-mailed Mark the info.

I also took the book 'The Grandees' by Stephen Birmingham out of the library. He does a lot of talking but doesn't back it up with anything substantial as far as 'real' information goes.

I've learned to question and do my own research on any 'conspiracy facts' info. Unfortunately I don't have the time but in this case I'm glad I put a few hours of research into Stephen's claim.

The best book I have read dealing with genealogies is 'Bloodlines of the Illuminati' by Fritz Springmeier. He has a chapter on the Rockefeller's but I don't believe he mentions anything about any 'Jewish' origin.

I did find a publication by the National States Rights Party (NSRP). Their publication, a newspaper was called 'The Thunderbolt' and it was a right wing 'conspiracy' paper. Eustace Mullins was a frequent reader and commenter. Finding the issue with vice-President Nelson Rockefeller's supposed Jewish ancestry would be

extremely difficult and probably not that accurate.

National States Rights Party - Wikipedia (so you know it's a biased article)

Eustace Mullins & National States Rights Party (near the middle of the page). I personally like Mullins.

I would not doubt if the Rockefellers were of Jewish origin but I need proof. In the end who cares if they are of Jewish or Baptist origin. They are lying, murdering, aristocratic crooks.
