

# Sinister Sites – Israel Supreme Court

Jun 24th, 2009 | By [Vigilant](#) | Category: [Vigilant Reports](#)

*The Israel Supreme Court is the creation of one elite family: the Rothschilds. In their negotiations with Israel, they've agreed to donate the building under three conditions: the Rothschilds were to choose the plot of land, they would use their own architect and no one would ever know the price of its construction. The reasons for those conditions are quite evident: the Supreme Court building is a Temple of Masonic Mystery Religion and is built by the elite, for the elite.*

Built in 1992, the Israel Supreme Court sits in Jerusalem, in front of the Knesset (Israeli legislature). Its peculiar architecture has earned critical praise due to the architects' opposition of old versus new, light versus shadow and straight lines versus curves. Almost all critics and journalists have however omitted to mention the blatant occult symbols present all over the building. Masonic and Illuminati principles are physically embodied in numerous instances, proving without a doubt who runs the show in there.

## House of the Rothschilds

The Rothschild family is an international dynasty of Germans of Jewish descent who established a worldwide banking and finance operation. The offsprings of Mayer Amschel Rothschild (1744-1812) have spread all over Europe and became major actors in the social, political and economic life of the continent. By knitting close ties with the elite of England, Austria, France and Italy, the Rothschilds became a hidden force in most political events of the last centuries. Alternative historians say they are part of the infamous 13 bloodlines of the Illuminati, along with the Rockefellers and the Duponts.

The Rothschilds are one of the originators of the Zionist movement and the most active actors in the creation of the state of Israel. James A. de Rothschild financed the Knesset, Israel's main political building. Right in front of it sits the Israeli Supreme Court, donated by another member of the dynasty: Dorothy de Rothschild.

**Painting at the entrance of the Supreme Court – The Rothschilds with Shimon Perez and Isaac Rabin**

In the same general area of Jerusalem we can therefore find the Knesset and the Supreme Court, built by the Rothschilds and, following a perpendicular layline, several blocks away, sits the Rockefeller Museum (other elite family). You might start to understand who owns this area now.

**Jerry Golden** wrote several years ago on the Israeli Supreme Court, appropriately pointing out its occult concepts. When you study those types of buildings, you quickly realize that the same themes inevitably reappear: illumination, pyramid, ascent, the number 13 or 33, phallic/ionic symbols, etc. This building has it all and more.

## Path to Illumination

A journey through the Supreme Court is in fact a symbolic course towards Illumination. The ultimate “goal” of the journey is to reach the top of the pyramid which is located on the roof of Supreme Court, atop of an area where the “holy of holies” would be in a Jewish Temple.

On each side of the pyramid’s apex is a hole representing the “All-Seeing Eye” of the masonic Great Architect (see the reverse of the Great Seal of the United States).

**Pyramid with All-Seeing Eye**

Let’s go through the path of the “profane” to reach illumination.

## Darkness to Light Stairway

One who enters the Supreme Court finds himself in a dark area, in front of a stairway leading to a source of light.

By climbing those stairs, the visitor gradually leaves the depths of darkness to finally reach glorious sunlight. There are exactly three times 10 steps, totaling 30. They represent the 30 first degrees of Freemasonry, where the profane is gradually taken from the depths of material life (darkness) to wisdom and illumination (light). We know that Freemasonry comprises a total of 33 degrees and we'll later see where we can find those last three degrees in the structure. On the right side of the stairs are old rocks reminiscent of walls of ancient Jerusalem while on the left is a smooth and modern wall. This represents the timeless nature of occult teachings, who have been transmitted since ancient times to this day.

Once having climbed the stairs the visitor can admire a great view of Jerusalem. In a symbolic way, the enlightened person gained "spiritual sight".

View of Jerusalem after climbing the stairs of Illumination

Embedded on the floor is a layline, guiding the traveler to the entrance of the library, which is conveniently placed right under the pyramid.

## The Library

**Second Floor of Library**

The library is divided in three levels, symbolically representing the last three degrees of Freemasonry (31st, 32nd and honorary 33rd) . The first level is reserved for lawyers, the second is reserved for judges and the books on the third level can only be read by retired judges. The library's way of functioning – where some information is the exclusive privilege of a selected few – directly correlates with the functioning of occult orders, where teachings of a certain degree can only be given if the initiates have successfully cleared the previous degrees.

**The 3 levels of the library**

The library contains legal, judicial, philosophical and spiritual works. There is no doubt that the “reserved” books contain a wealth of esoteric knowledge. Right above the higher level of the library (representing the 33rd level of Masonry) is the base of the pyramid. This is where Freemasonry symbolically ends and the hidden order of the Illuminati begins.

**View of the pyramid from inside**

Right under the apex of the pyramid, on the floor, we can find sacred geometry patterns.

**Sacred Geometry**

Jerry Golden has mentioned that a crystal is embedded right in the middle of the pattern, right under the eye of the pyramid. What does it signify?

## **Judges Bringing Illumination**

**The entrances of the courtrooms are said to resemble ancient Jewish tombs. The holes atop the doors are meant to permit the soul to leave the room. Also notice the contrast between old and new.**

The prison cells, the courtroom and the judge's quarters are placed one on top of the other, symbolizing the threefold nature of the world. The inmates are stuck in cells, symbolizing the prison of the lower material world. The courtrooms, placed right over the prison cells, represent the "higher world" where divinity gets in touch with humanity:

**Courtroom**

In the courtrooms, the judges are illuminated by a natural source of light. So the judges, hearing the pleads of the masses sit there with divine light constantly shining upon them. After the hearings, the judges retire to their quarters, situated right over the courtroom. They symbolically “ascend” to the divine world. When a decision is taken, they “descend” to bring illumination to the lower world.

## **Fertility Symbol**

Outside the courtrooms is a stairway leading to a lower level. No occult temple would be complete without those next two features.

In the middle of the stairway is the shape of a vesica piscis (representing female genitals) “penetrated” by a column (phallic symbol). This is an obvious fertility symbol, a union of the male and female principles. Numerous occult temples insert a fertility symbol in their lower floor (see the Manitoba Legislative Building or Washington Capitol). But wait, there’s usually a rotunda along with the

fertility symbol. Oh, there it is.

Some occult buildings hide the star of Ishtar (fertility symbol) at the center on the lower rotunda. Is hidden there?

## Outside

The exterior of the Supreme Court contains loads of symbolic features. Just follow the “Dorothy de Rothschild” stone to see where it leads you.

## Obelisk

This is the Dorothy de Rothschild grove. The obelisk is the most commonly used and the most blatant occult symbol used throughout the world. In ancient Egypt, the cult of this phallic symbol was associated with the god Osiris, who was cut in 13 pieces by Seth. Isis traveled far and beyond to retrieve all of Osiris' body parts and was successful, except for one body part, the penis, which was swallowed by a fish. "The lost phallus" is thus representative of male energy, and is almost always placed (as in this case) inside a circle, which represents female genitalia and energy. The obelisk in the middle of a circle represents the sexual act and the union of opposite forces. In our modern world, obelisks are found on nearly all important landmarks, and thus became and symbol of the occult elite's power.

## Courtyard

The courtyard has beautiful zen-like feel. A source of water is constantly bubbling and streaming through a narrow path towards a strange stone. Official Supreme Court documentation say that the courtyard is a physical representation of the verse from Psalm 85:11:

*"Truth springs from the earth, And righteousness looks down from heaven"*

The judge's offices overlook the courtyard, so they are symbolically "looking down from heaven". The stream of water goes straight and ends up right under a strange and enigmatic stone.

What is this thing and why is "truth who sprung from earth" leading towards it? The stone's polished surface reflects a distorted image of the courtyard. What does it represent?

## **Trampled Cross**

At the center of the parking facilities are pathways shaped like Christian cross. Jerry Golden has mentioned that this cross has been specifically placed to be trampled on by visitors. He is most probably right. In a building where spiritual symbolism reigns supreme, there are effectively little chances that the layout of those pathways haven't been thoroughly thought out by the architects. In other words, this can't be just a coincidence. The visitors have to go down the stairs – symbolically “descend” to lower spheres – to reach the cross. As you might have noticed, the importance of the act of ascending and descending in this building is very important. This is not an exception.

Occult secret societies have historically been at odds with the Christian church who repeatedly persecuted and accused them of all sorts of heresies. During the Middle-Ages the Knights Templar (ancestors of Freemasonry) have been accused by the Archbishop of Canterbury of numerous anti-Christian deeds, including “trampling the Cross under foot” during their initiation processes. Are they poking back at Christianity with this symbol?

## **Pomegranates**

Those pomegranates lying on the floor might seem extremely insignificant for the average onlooker. They however hold a special signification for students of the Mysteries and of Freemasonry.

*“Among the ancient Mysteries the pomegranate was also considered to be a divine symbol of such peculiar significance that its true explanation could not be divulged. It was termed by the Cabiri “the forbidden secret.” Many Greek gods and goddesses are depicted holding the fruit or flower of the pomegranate in their hands, evidently to signify that they are givers of life and plenty. Pomegranate capitals were placed upon the pillars of Jachin and Boaz standing in front of King Solomon’s Temple; and by the order of Jehovah, pomegranate blossoms were embroidered upon the bottom of the High Priest’s ephod”*

*-Manly P. Hall, Secret Teachings of All Ages*

As stated by Hall, pomegranates were placed on top of the two pillars standing in front of Solomon’s Temple. If you have minimal knowledge of Masonic teachings, you know that the Temple of Solomon and the pillars named Jachin and Boaz are of an utmost importance.

*“The capitals were enriched by pomegranates of bronze, covered by bronze net-work, and ornamented with wreaths of bronze; and appear to have imitated the shape of the seed-vessel of the lotus or Egyptian lily, a sacred symbol to the Hindus and Egyptians.”*

*-Albert Pike, Morals and Dogma*

We know that the Masons patiently look forward to the day they’ll rebuild the Temple of Solomon on its original grounds – Temple Mount, Jerusalem. Are those pomegranates waiting to be placed on the pillars of the next Temple?

## To Conclude

This article barely scratches the surface of the occult symbolism of the Israeli Supreme Court. It is however clear that the building’s architecture carries important symbolism relating to spirituality and the attainment of illumination. There are no religious monuments relating to Judaism or any organized religion. The Supreme Court is a temple of the Mysteries, which are an amalgamation of pagan rituals interlaced with an esoteric interpretation of the Scriptures. The teaching of the Mysteries is reserved to members of occult secret societies, which the Rothschilds are obviously part of. The esoteric meaning of this building is concealed from the public but it unmistakably reveals to the initiates who possesses real power in the world.

Powerful article. I recently wrote an article and part of it focused on the significance of the Israel Supreme Court building and the symbolism from Freemasonry. Here's the link, in case you're interested. The part I mentioned is about 1/2 way down the page:

<http://biblicalwomanhood.org/Freemasonry%20&%20the%20New%20World%20Order.htm>

Thank you for the research and incredible photos!

That was great i must say you obviously do your research well. I never knew about Rothschild and the Israel Supreme Court but now i know about the more evil we have in this world. You never ceased to amaze me and again, keep up the great work.

The Elite and the Illuminati hang with each other irrespective of knowledge of their origins or family history....Just read that Alex? de Rotheschilde is the beau of Carmen Diaz, Hollywood "sweetheart" and probably completely oblivious to all of this... most of the Hollywood crowd is...they are so wrapped up in ego gratification and narcissistic

pursuits, (albeit there is often tremendous talent mixed in the mash) but not any discernment...

What can be done? the neg uses these promises of power, and the bloodlines are thousands of years

old...my own family is mixed up with this to some extent, my brother and sister both

married to  
 very wealthy (millionaire winery) and billionaire Hong Kong finances...they are in their 30s  
 and 40s atheist and  
 and have severed all communications with myself and my other Christian sister.

My former Jewish husband was de-railed by Singaporean financial backers when he was  
 Chairperson of the  
 the APRICOT group. (Asia Pacific Regional Internet Conference on Technology...) it's  
 when our  
 marriage broke...they were seducing him with Luciferian promises of wealth beyond  
 belief, and we  
 already had made several million on our own ISP company. It was then I converted to  
 Catholicism and  
 it was a "last straw for him" he said he he didn't want "a Catholic wife"...interesting the  
 way that  
 Satan works...up until then we had a very very good and loving marriage.

Great article, lots of inside knowledge that I had no idea until now, you mentioned we are  
 poking at Christians with the trampled cross part... You hinting at being freemason or  
 illuminati? Lol.

I have to give it to the architects designing these buildings, they are very talented, too bad  
 their talent is used for the evil of the world.

Another fascinating analysis. Well done!  
 You are fulfilling your purpose of educating the public on the shadowy elite.

Ashkenazim of which Rothschild claim to be descend from Japheth; they are not Semitic  
 or Jewish. Only through marriage to a Semitic line of say Esau or Ishmael could they be  
 even called Semitic. The Labrys is of Cretin origin; the device designed to hold captive the  
 Minotaur; Zeus in the form of a Bull and Europa. The first column was of Egyptian design  
 "Ben-ben" of which Pharaoh Menes claimed descent; Menes means "Bull". This then  
 became the Obelisk and the ones designed by Hatsepsut in the 1500's BC were not only  
 seen by Moses (she was Moses adoptive mother and Pharaoh who ruled as a Man), but  
 now sit in NY Central Park, the Vatican and London, ruled by the larger one just north of  
 the Pentagon called the Washington Monument which stands at 6660in or 555ft. Sieg Hiel  
 is this "555", a salute to Hiel the Beth-elite who sacrificed his 2 sons to rebuild the Wall of  
 Jericho. 5 is Nail and those 3 Nails held Jesus "Tree of Life" to the Tree of Knowledge.  
 Make Sense? Washington is ruled by Georgetown and the Supreme Temple of the 33rd,  
 exacty 13 blocks north of the White House; the Pentagon is the Spear of Destiny (Military  
 Sword). NYC is Wall St the the HQ of the Knight Templars "World Bankers". London  
 means New Troy and is the repository of wealth. Vatican means Divining Serpent and  
 Catholic means Universal Church. When the Roman Catholic Church is destroyed with  
 America (Amurru is the Edomite serpent and shepherd god), the Red Christ will be  
 revealed. Get ready for a rough ride folks. Jesus hates Edom and has stated none of  
 them will remain in Obadiah. Theresnothingnew.org/

9. Infinite Love June 26th, 2009 12:31 pm :

What many do not know is that the Universe is a mirror reflecting the intentions and imagination of Love. The mirror is a consciousness in of it's own which was created by love but seperated to allow us to have a "world" into which we could expand our love into and ascend through infinite dimensions of both reality and experiences as any form of life.

Masonic spiritualism seems to be based upon the principles of the mind, the illusion decoder and manifestor. In truth are the mind and infinite love. They exclude the Law of One, but it is written in the Torah, in Genesis 1:26-28, where God gives man and woman dominion over all the earth. Dominion means to rule. Because the Torah was written from the perspective of the mirror. For Love has no boundries, thus no Laws. This the objective of the Court is to wrap everything and everyone in fiction. They can not violate what God said in Genesis 1:26-28, so the trick you into identifying yourself as a NAME, this Person.

God has no organizational structure, as God was also in the image of man and woman when God created us. Not one Country is defined as being on the earth, rather they are defined mainly as part of the world, the world is not the earth. All Courts are based on Piracy and Admialty Law, law of the sea.

It is not about Religion, it is about parasites holding us in there prison to do as they want with us. Although everything they do is done to trick us out of our belief that we are created by God. When you translate God through the mirror you get infinite love. We are all that exists.

Fantastic!,

but I'm really not impressed by these deviants and their superstitious nonsense that was built into their arrogant,gaudy structures.

These people(Rothschilds)are so perverted,sinister and sadistic,that it is imperative that we Americans never allow any of their agents in our government to disarm us.

11. bonanzaman June 27th, 2009 11:30 am :

The Rothschilds are not jewish, they're khazars who adopted judaism to avoid the problems associated with islam and christianity in 740 ad. They took control of earth through a deal with the pope who owns allodial title to earth. Rothschilds ownership is fee simple, a right of use to be maintained as long as they pay their rent (taxes) to the vatican. Enforcement is by the black pope or head of the jesuits. This occurred sometime in the 1600's before they adopted the name rothschild and were called bauer. So all taxes accrue to them as governments are forced to borrow money rather than create it

themselves as the rothschilds and their banking system do. all wars are created by them and fought by them and their militaries on both sides. All poverty is created by them and a 90% reduction in population is their policy.

Great work firend! With these types of sites now numbering in the tens of thousands, you´d think that the average person would be a little less naive about what´s going on in the world, but daily conversations with the “sheeple” tells me that they are no wiser than twenty years ago. I just don´t know how the average person is able to keep themselves sequestered from reality so thoroughly! Anyway, have a look at my site regarding Obama as the possible “AntiChrist”: <http://www.obama-antichrist.org>

In 1492, Chemor, chief Rabbi of Spain, wrote to the Grand Sanhedrin, which had its seat in Constantinople, for advice, when a Spanish law threatened expulsion.<sup>2</sup> This was the reply:

” Beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves.

The advice of the Grand Satraps and Rabbis is the following:

1. As for what you say that the King of Spain obliges you to become Christians: do it, since you cannot do otherwise.
2. As for what you say about the command to despoil you of your property: make your sons merchants that they may despoil, little by little, the Christians of theirs.
3. As for what you say about making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christians’ lives.
4. As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches. [Emphasis mine]
5. As for the many other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix in affairs of State, that by putting Christians under your yoke you may dominate the world and be avenged on them.
6. Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power.

(Signed) PRINCE OF THE JEWS OF CONSTANTINOPLE.”

2. The reply is found in the sixteenth century Spanish book, La Silva Curiosa, by Julio-Iniguez de Medrano (Paris, Orry, 1608), on pages 156 and 157, with the following explanation: “This letter following was found in the archives of Toledo by the Hermit of Salamanca, (while) searching the ancient records of the kingdoms of Spain; and, as it is expressive and remarkable, I wish to write it here.” — vide, photostat facing page 80.

~ The above was quoted from Waters Flowing Eastward by Paquita de Shishmareff, pp. 73-74 REVELATION 2:9,,3:9 THE JEWS ARE THE SYNAGOGUE OF SATAN, THEY ARE NOT FROM THE TRIBE OF JUDAH AND NO ISRAEL(THEY ARE

KHAZARS,EDOMITES).JESUS WAS NOT A JEW.JEW DOES NOT MEAN ISRAEL,ISRAEL WAS MADE UP OF 12 TRIBE.

I wonder if Masonry, like everything else man created has somehow lessened or become corrupted in some fashion. but then perhaps there is an uncorrupted core, where the ideals are kept, somewhere disconnected from the whole?
