MICHAEL A HOFFMAN II, HISTORIAN AND AUTHOR, is the founder of *Independent History & Research*. He was educated at the *University of New York* and is a former reporter for the New York Bureau of the *Associated Press*.

Hoffman is the author of several books, including his masterwork, **Judaism Discovered** (<http://www.revisionisthistory.org/page1/news.html>) . His free newsletter (<http://www.revisionisthistory.org/>) , *The Hoffman Wire*, is sent out weekly (HoffmanWire-subscribe@topica.com) to thousands of supporters.

Brother Nathanael Kapner: Israel launched an air strike against Hamas in the Gaza Strip on December 27, 2008. The invasion has now expanded into an all out war with no end in sight, complete with Israeli ground troops and reserves slaughtering hundreds of civilians. What are your opening thoughts on this?

Michael Hoffman: As usual, the Israelis in Gaza are taking a crap on an entire people. The IDF is dismantling, *not* so much Hamas, but the infrastructure of Gaza's government. We are seeing housing, the educational system, and Gaza's fire-fighting & medical facilities, systematically being dismantled by Israel.

This is not a limited attack on Hamas as the Israelis spin it. This is an attack on the Palestinian

people's ability to govern, educate, house, and protect themselves.

Br Nathanael: Israel is defending themselves against criticism of civilian deaths by saying that Hamas is "using civilians as human shields." What is your response to this?

Michael Hoffman: As always happens when these Talmudic war crimes transpire, Israeli ("hasbara" (<http://www.infoisrael.net/page2.htm>)) propaganda-operations and their counterparts in the Judaic-controlled media go into high gear. We are seeing the pattern repeated in Gaza now. Every single atrocity committed by the Israelis is explained away as either "collateral damage" or "civilians being used by Hamas as human shields."

Imagine if in Oakland, California, African-American guerrillas fired rockets at Sacramento in protest over the killing of a black man by transit cops. In response, the California National Guard attacks an all-black school in Oakland, slaughtering 40 children because the rocket-firings by the militants took place "near" the school.

Would the world forgive California for the deaths of the children in Oakland because black militants had been firing near the school? Such a racist devaluation of the lives of the black children collectively punished for acts of armed resistance by guerrilla fighters in their neighborhood would appall and shock the world.

Yet, this is what occurred at the UN school in Gaza after Hamas fighters allegedly fired mortars in the vicinity. But Israel commits atrocities like this with impunity.

Br Nathanael: Is there a racist and religious component involved in Israel's massacres of Palestinian children?

Michael Hoffman: The racist component of the devaluation of Palestinian life, so evident in Gaza, is barely mentioned because it tends to show that the Judaic state of Israel is sick at its core.

Any such admission would tend toward an investigation into the *roots* of the Zionist pathology which, patently, are in the religion of Orthodox Judaism. For Orthodox Judaism institutionalizes the enshrinement of the humanity of the souls of Judaics while derogating the humanity of non-Judaic souls.

Br Nathanael: But what about all of the "Torah True Jews" who are against the Zionist State of Israel? Should we be applauding them?

Michael Hoffman: In the last stages of Judaic propaganda surrounding any massacre by Israelis in the Middle East, we witness the phenomenon of "Jews Against Zionism" and "Rabbis for Peace." Attention given to these groups by the Judaic-controlled media intends to *deflect* attention *away* from the Talmud and other rabbinic texts which teach that when necessary, non-Judaics may be killed with impunity because they are not fully human.

Br Nathanael: Hasidic Jews are always publicly protesting against Zionism? Are they to be commended for their Anti Israel stand?

Michael Hoffman: The masters at this sort of disinformation are the Neturei Karta sect (http://www.israelimages.com/see_image_details.php?idi=5357) of Hasidic Judaism who were received (<http://www.tellingfilms.co.uk/netureikarta-attacks.htm>) by the Iranian President at the revisionist conference (http://www.adelaideinstitute.org/2006December/contents_prog_con_Friedman.htm) in Tehran. These people parade around the US and Europe condemning Zionism as being against "the Torah." But what they mean by "the Torah" is Judaic "Law" as explicated by the Talmud (<http://www.realjewnews.com/?p=20>) - *not* the Torah of Yahweh, which the rabbis nullify.

Neturei Karta and the larger Satmar (<http://www.pbs.org/alifeapart/intro.html>) body of Hasidim, who are also anti-Zionist, are a function of the Cryptocracy at one of its highest levels of operation. The

many befuddled “goyim” who cooperate with these groups in disseminating the propaganda that the Talmud is a document of peace and love inimical to Zionism and the Israeli state, serve to rescue the religion of Judaism from the odium it so richly deserves as the ideological engine that *drives* the Israeli war machine.

Br Nathanael: Do you think a boycott of Israeli goods will finally stop the atrocities continually carried out by the state of Israel?

Michael Hoffman: The Arab world and the West are currently repeating their useless pattern of issuing the same tired and impotent protests and resolutions.

Effective action and remedies are never put into place: the Israelis have too strong a hold on western institutions to be dragged before European courts for war crimes' prosecution as the Christian Serbs were, or to become the target of “boycott” campaigns, as were the whites of South Africa.

Br Nathanael: What then can we do to stop the continual blood baths by Israel?

Michael Hoffman: The Israeli hold on the West can only be weakened and eventually dissolved if the world will come to view the connection between Orthodox Judaism and Zionism the way it perceives the connection between Islamic fundamentalism and Al Qaeda. The actions of the Israeli military in Gaza — mass murder and constantly lying about it — are derived from the rabbinic law of Orthodox Judaism, as documented in my book, *Judaism Discovered* (<http://www.revisionisthistory.org/page1/news.html>) .

This is the missing element in the analysis of Israeli war crimes and deception. The rabbis teach the followers of Orthodox Judaism to lie and, when it is deemed politic, to slaughter dehumanized non-Judaics. Until this is widely understood, the Israelis will massacre civilian populations repeatedly and with impunity, as the history of the Zionist state, and now in Gaza, demonstrates.

Hi Everybody -

Here's the latest. After 4 grueling days of going to a new "shared" server with many complications, I and my Web Manager made a very tough & expensive decision to go with a Dedicated Server.

We had to do this because the traffic is so high and continues to grow that a shared server "slows down" the whole operation. As I mentioned in the last two articles, traffic to our site, Real Jew News, is at an all time high. RJN is now getting close to 1 million hits per month!

The expense involved for a dedicated server has just put me out of \$1000. Please consider making a donation by clicking on the donation choices at the top & bottom of this and every article.

Or, donations may be sent to: Brother Nathanael Kapner; PO Box 1242; Frisco CO; 80443.

Many thanks in advance!

On another note, please tune into Michael Hoffman tomorrow, Wednesday, January 14, 2009, who will be on Jeff Rense Radio Show. AND be sure to get on Michael's "Hoffman Wire" mailing list. It's a great Newsletter.

Also, I have a copy of Michael Hoffman's "Judaism Discovered." It is an incredible book, a true masterwork. I highly recommend it.

Love you all, +Brother Nathanael

Yes, the Israeli WAR MACHINE kills again.

What an atrocity, Israel has become the new Nazi Germany of the 21st century committing crimes that Jews suffered during the holocaust. What a disgrace!

Brother Nathanael must have not liked the many posts and on-line references I placed here.

Anyways, back in 1884 A.D. our Lord granted Pope Leo XIII a Supernatural 'Heads-Up!' regarding Satan being granted a century worth of time and more power over individuals who would willingly give themselves over to Satanic/Luciferian service in exchange for fleeting 'power, prestige, status, riches and the kingdoms of our world' so as to bring about the destruction of His Church.

What Masonic Zionists are to all the nations of our world today in their infiltrating the governments of the US/UK and other nation/states of our world, the same Kabbalah-Zohar Masons are for us of the Catholic Church.

P.S.

Oh, by the way, in Clymer Swineburne's book entitled The Book of Rosicruea, we find that the various Occult groups throughout the world (back in 1931) met at the King George V hotel in Paris, France in March of 1931. They entered into and formed a mutual spiritual alliance. At the top of their priorities vs. the Human Race was the destruction of the Catholic Church.

Get yourselves Fr. Malachi Martin's book entitled Windswept House. He tells all about the

various Bishops who have sold their souls to the devil in order to work at the subversion and destruction of His Church.

Dear Fr Joseph,

I think the subversion of the Catholic Church goes higher than sold-out bishops.

Fr Malachi Martin does not seem to be able to spell a-n-t-i-p-a-p-a-c-y.

Only Our Lady can help us because as Our Lord told Sr Lucia of Fatima of this matter: "It has been confided to her."

Great interview with Michael Hoffman!

Judaism Discovered is an essential text for anyone who wants to understand political reality in the new millenium. Any millenium anno Domini actually, but we did not have Judaism Discovered then.

Together with Craig Heimbichner's work Blood on the Altar, Hoffman's text, explains our current global reality in terms of politics, economy and religion.

Just as these are wedded in the Protocols of the Elders of Zion, these are of a piece in current crises. Ultimately, this is about a religious faith - which according to the Elders no one shall discover. But Hoffman has discovered it. And he has discovered how it reinvents itself in response to disclosure.

Thank you Br Nathanael for bringing Michael Hoffman to your forum.

Hello

This is very interesting article in english about the jews slaughter in Gaza from a danish perspectiv. The parties in charge in Denmark are extremely pro-"israel". There are some 7.000 jews in Denmark and they run the MSM, the jew mafia propaganda-machine. Don't miss my comment after the article.

Dear Lynda,

We see the rampant and utter corruption within and throughout 'secular' human society in all the nations and states of our contemporary world, here in the USA as well as ANY nation/state of our world.

The Church is also filled to the brim with every manner of person as well. Sin, human beings acting and living CONTRARY to the Will of God, is a living reality. There is SIN within the World and there is SIN within the Church. That is our Human Race's punishment and as we can all see in our day and age, the wages of sin are DEATH. One's own death and the death of others in one way or another.

The Murder of Pope John Paul

<http://www.crc-internet.org/oct84.htm> (<http://www.crc-internet.org/oct84.htm>)

Nevertheless, the sinless and immaculate heart of our Blessed Mother can STILL bring about World Peace to our human race with a Collegial Consecration of Russia to her Immaculate Heart.

God provided the Human Race with His 'Solution' to the vexing problems of Mankind via Genesis 3:15.

God still provides the Human Race with that SAME 'Solution' to the vexing problems of Mankind via her 1917 A.D. Fatima Apparitions Messages.

The Satanic/Luciferian/Occult/Masonic individuals in the positions of the nations of our World and of our Church are doing everything TO PREVENT any recourse of the Human Race to the Mother of God via the Collegial Consecration.

- Fr. Joseph
