*Even if members of congress pretend to feign ignorance about cheering for a corrupted foreign entity, it does not excuse the utter shame and humiliation they caused loyal Americans or their shameless treasonous betrayal to our exploited United States Military personnel, both Active Duty and Veterans.*

*We take a sacred oath to defend and protect the United States Constitution against all enemies, foreign and domestic and that we bear true faith and allegiance to the same for the rest of our lives.*

*We Do Not take an oath to protect Israel (or any other foreign country) , the obscene profits of oil corporations, or evil greedy men.*

Even if members of congress pretend to feign ignorance about cheering for a corrupted foreign entity, it does not excuse the utter shame and humiliation they caused loyal Americans or their shameless treasonous betrayal to our exploited United States Military personnel, both Active Duty and Veterans.

We take a sacred oath to defend and protect the United States Constitution against all enemies, foreign and domestic and that we bear true faith and allegiance to the same for the rest of our lives.

We Do Not take an oath to protect Israel (or any other foreign country) , the obscene profits of oil corporations, or evil greedy men.

It is time now, to inform the two faced traitors in corporation of Washington D.C., that we are not fooled by their brazen and shameless false loyalty to America. Any politician who is loyal to Israel First (or any other foreign country) before America, is no friend to America. Period.

If deceptive and traitorous politicians mindlessly pledge their allegiance to Israel above America, then they need to move to Tel Aviv, join it's IDF and fight their own conquest "wars" for Israel. Leave our American kids alone. America needs legitimate leadership that actually places allegiance to America, First, Second, Third and Foremost.

Americans were lied to about 9/11, Iraq's "WMDs", "nookular" weapons, etc. and decieved into a Nazi style "Mission Accomplished" invasion of a sovereign nation that never had anything to do with 9/11. Nothing.

Americans are getting more fed up every day from the same tired old lies from the same "elements" who lied about "WMDs", "nookular" weapons, 9/11 and deceived American Soldiers into supporting a Mid East proxy "wars" for Israel's conquest with OUR Soldier's Blood and OUR money.

And what does America get in return? Thousands of dead and maimed American Soldiers, endless lies for endless Mid East "wars", Global disgust, plus TRILLIONS OF DOLLARS of thefts, debts and economic hardships.

Now, Israel is trying to deceive America into yet another disasterous proxy "war"...this time against Iran.

The real truth is that Iran has not invaded anyone for over 200 disastrous years.

Netanyahu, Israel's prime minister, is a disciple of Ze'ev Jabotinsky, the founder of the most radical, racist, and militant form of Zionism. Jabotinsky was the Zionist extremist who called for an "Iron Wall" to be built in Palestine. The West should know that there can be no appeasement with such fanatics who are devoted to an ideology of Jewish supremacism, racial and religious segregation, and the creation of Greater Israel. The fact that the U.S. and the international community have now clearly condemned illegal Israeli settlements is piling pressure on Netanyahu and his government of extremists.

Marcus Eli Ravage, Century Magazine, February 1926 Quote:

"You have not begun to appreciate the depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom of not merely the latest Great War, but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it. Who knows what great and glorious destiny might have been yours if we had left you alone."

The best way to stop a sociopathic mad dog from chasing after cars is to let him catch one.

Gideon Levy from Haaretz on the above video:

"This video should have been banned for broadcast to minors. This video should have been shown in every home in Israel, then sent to Washington and Ramallah. Banned for viewing by children so as not to corrupt them, and distributed around the country and the world so that everyone will know who leads the government of Israel. Channel 10 presented: The real (and deceitful ) face of Binyamin Netanyahu. Broadcast on Friday night on "This Week with Miki Rosenthal," it was filmed secretly in 2001, during a visit by Citizen Netanyahu to the home of a bereaved family in the settlement of Ofra, and astoundingly, it has not created a stir."

Now for a Sunday ‘riddle me this’ -

What do you call two or more Zionists in a room spouting racist nonsense and mouthing praise and adulation for the Bibi? Answer -

AIPAC Convention 2011.

And then and then, after two or more Zionists have worked themselves into a proper racist frenzy, they go out and beat the crap out of a Code Pink activist woman that just so happens to be Jewish.

Say, didn’t “Nazis” do horrendously brutish crap like that a way back in those ‘pre-Holocaust’ days?
