Adnan Kashoggi, Mormon Illuminati and 911

[Print Friendly](#) [Donate](#) [Subscribe:](#)

Mormon Bishop, Wally Hilliard and 911 Flight School

Adnan Kashoggi seems to be at the heart of every intelligence operation scandal that has plagued the United States in recent history.

"Adnan Khashoggi who was a Muslim of dubious character known for his global arms dealing. In fact, when he was in his mid-30's, Khashoggi was already making a fortune brokering arms deals between US weapons manufacturers and the Saudi Royal Government in the 1960's and 1970's. His clients included Lockheed Martin, Raytheon, Grumman Aircraft and Northrop Grumman and others that no longer exist because of industry consolidated between 1985 and today". ([Source](#))

The Illuminati control the CIA, MI6 and other intelligence agencies. This is their "Shadow Government" that orchestrates the global narcotics business, sex slavery with MK-Ultra multiples, pedophilia, and various other covert operations. Adnan Kashoggi is probably just a "Front Man" and "Fall Guy" for these Western Intelligence Agencies. Saudi Arabia, Egypt, Iraq, Iran, Libya were all led by CIA/Mossad/MI6 operatives installed via military coup.

What is intriguing about the various ruling parties in the Middle East, is that they were taken from the ethnic minorities. This guaranteed loyalty to the Illuminati out of fear of a being overthrown by the countrys' ethnic majority. When a leader, like the Shah, became a liability, he was replaced with a fresh face.

What makes Iran intriguing, is that it could be argued that the Islamist revolution was actually a Western Intelligence Operation designed to lay the groundwork for the ultimate conflict between Christianity and Islam. Kashoggi was right in the thick of things.

"Khashoggi was a very sophisticated businessman who operated from multiple front companies in Switzerland and Lichtenstein, which handled his commissions and oversaw contracts with CIA officers James Critchfield and Kim Roosevelt, and Bebe Rebozo who was a US businessman and Nixon associate. However, just the next year in 1986, Khashoggi was implicated in the Iran-Contra Affair and put a damper on his activities. The Iran-Contra Affair was an agreement by the US Government to sell arms to Iran even though the US was in the midst of an arms embargo with Iran. The clandestine sales transaction was made in the hopes of facilitating the release of the Iran hostages and allowing US intelligence agencies to fund the "contras" in Nicaragua. It was deals like this that made Khashoggi the richest man in the World by the mid-1980's." (Ibid)

The Iran-Contra affair exposed the fact that the CIA was bringing narcotics into the United States to sell in the inner cities.

"On March 16, 1986, the San Francisco Examiner published a report on the "1983 seizure of 430 pounds of cocaine from a Colombian freighter" in San Francisco which indicated that a "cocaine ring in the San Francisco Bay area helped finance Nicaragua's Contra rebels." Carlos Cabezas, convicted of conspiracy to traffic cocaine, said that the profits from his crimes "belonged to... the Contra revolution." He told the Examiner, "I just wanted to get the Communists out of my country." Julio Zavala, also convicted on trafficking charges, said "that he supplied \$500,000 to two Costa Rican-based Contra groups and that **the majority of it came from cocaine trafficking in the San Francisco Bay area, Miami and New Orleans.**" ([Source](#))

Enter Wally Hilliard, an intelligence asset and reported Khashoggi dupe. Hilliard was also a Mormon Bishop.

"In 1975, Adnan Khashoggi also founded Oryx, along with Sheik Kamal Adham who was the Director of Intelligence for Saudi Arabia, the brother-in-law of King Faisal and the CIA's primary liaison in the Arab world. Coincidentally, these same parties later helped Khashoggi to establish Barrick gold... Oryx, which was always somewhat of an enigma that seemed to morph into a dark and Satanic business vehicle.

Incredibly, investigative reporter, Daniel Hopsiker, later linked Oryx to Huffman Aviation of Venice, Florida after the 9/11 terrorist attacks. Huffman Aviation was located in Venice Florida where 2 of the 4 terrorist pilots who flew commercial jets into the World Trade Center on 9/11 learned to fly. Just as incredible, it also seems that **Wallace Hilliard who was a Khashoggi "yes-man" purchased Huffman Aviation in 1999 on behalf of Oryx. Hilliard and his lackey, Rudi Dekkers, then began admitting Al Qaida terrorists into their flight training school and teaching them to fly commercial airliners.** Coincidentally, two of their best students proceeded to fly commercial airliners into the World Trade Center on 9/11." ([Source](#))

It seems that Kashoggi and Hilliard were also interested in building a casino in "Rum Cay", a well used mid-point for bringing cocaine into the United States from Columbia. Hilliard had the planes, which reportedly were already being used to transport narcotics. The casino would have made it possible to launder all of that drug money.

"Hilliard was also working with Osama Bin Ladin's brother, Yeslam Bin Ladin, and Yeslam admitted that he funneled an unknown number of middle-eastern pilots to Huffman Aviation for training."

"The CIA seemed to be ever present at Huffman as well. Sander Hickey, a reporter for the Long Island Press, discovered that Wallace Hilliard had done "business" with Myron Du Bain and Du Bain had worked alongside former CIA director John McCone. Further, Du

Bain was Chairman of Fireman's Fund Insurance when Fireman's Fund agreed to acquire Employee Health, which was an insurance company that was founded by Wallace Hilliard. Also, after investigating Huffman for over 2-years, investigative reporter Daniel Hopsiker came to the conclusion that Osama Bin Ladin, terrorists and drug trafficking was the common denominator at Huffman Aviation, Huffman Aviation was inextricably linked to Adnan Khashoggi and Wallace Hilliard, Apparently, this also explains why one of Hilliard's lear-jets was seized by the DEA at the Orlando's Executive Airport after 43-pounds of cocaine was found on board his jet." (Ibid)

So, Adnan Kashoggi and Mormon Bishop, Wally Hilliard were both apparently working for the CIA in its drug running and 911 terrorist operations. This fact has never been reported by the Illuminati controlled press in Utah, or anywhere else. This might also explain how Kashoggi was able to penetrate the highest echelons of Mormondom and bilk them out of hundreds of millions of dollars without the State of Utah filing criminal fraud charges against the man.

Yes, Kashoggi has many friends in Mormondom. At least, enough to keep him out of jail. Hilliard has also been linked to a suspicious aviation company in Spanish Fork Utah. One that this author has written about and leading him to conclude that it was a covert narcotics operation as well.

Yet, no-one gets investigated with high Ecclesiastical/Political ties in Mormon Utah. Instead, victims are told to forgive and forget.

Kashoggi and Hilliard's alleged involvement in narcotics might also explain how Zion's Bank was fined millions of dollars for "money laundering" activities. More in the next article. To Buy Physical Silver Bullion email pdrockton@aol.com
