Palestinian school-girl shot in the head by evil cowards of the yiddish (khazar) occupation - video

Posted by Vatican Master at 17:00

UPDATE: This is in response to someone at **"What really Happened"** who commented "about this article and vatican note" that Hitler did not have gun control, rather everyone was armed. Well, read this and weep. I could not sign up over there since the price was more than I could pay to join, how nice.... lol So I am responding here. It is about gun control and how it harms us in having it in times such as these. **Its deadly to be unarmed when Khazar banker mafia nazi's are in charge.**

THIS IS WHAT HITLER SAID THAT WAS RECORDED: (remember, he was a "Khazar" Rothschild grandson and funded by the international khazar bankers, just like the Russian revolution and like now, history does repeat itself if we do not learn from it.)
<http://constitutionalistnc.tripod.com/hitler-leftist/id14.html>

"The most foolish mistake we could possibly make would be to allow the subject races to possess arms. History shows that all conquerors who have allowed their subject races to carry arms have prepared their own downfall by so doing. Indeed, I would go so far as to say that the supply of arms to the underdogs is a sine qua non for the overthrow of any sovereignty. So let's not have any native militia or native police. German troops alone will bear the sole responsibility for the maintenance of law and order throughout the occupied Russian territories, and a system of military strong-points must be evolved to cover the entire occupied country." --Adolf Hitler, dinner talk on April 11, 1942, quoted in Hitler's Table Talk 1941-44: His Private Conversations, Second Edition (1973), Pg. 425-426. Translated by Norman Cameron and R. H. Stevens. Introduced and with a new preface by H. R. Trevor-Roper. The original German papers were known as Bormann-Vermerke.

THIS IS THE RESULT OF WHAT HITLER SAID, AND THIS IS ALSO RECORDED AND THE RESULT WAS NO RESISTANCE WHEN THEY WERE TAKEN TO THE "FEMA" CAMPS FOR RE-EDUCATION

**\*\*\* SORRY!**, it appears they gutted the video, its fixed now, so please revisit it so you can see what courage this family had. Thanks

**Vatic Note:** Sometimes to appreciate the reality on the ground for repressed and enslaved people, you have to see what their daily lives are like after such a useless tragedy of inhumanity. Firing at a school full of children means you have be a lot "off" in the head yourself. This is an example of why we must keep our guns.... this is exactly what the cowards will do to us once they take the weapons, like they did in Russia and in Nazi Germany. It was always a mystery how so many of a nations citizens could be killed by their own leaders and the military that supports them, yet are also citizens of the nation. Now we know, **THE LEADERS ARE NOT THEIR OWN, THEY ARE AND WERE KHAZARS** and not of the nation being occupied. **"ONCE AGAIN"** the khazars are masters of deception by using others to front for them so hthey never have to be held accountable. We saw that here with Bush Sr. Getting a medal of freedom from Obama and that is for all the crimes he committed against his own nation, well, were we ever surprised when Bush Srs wife and mother of Bush Jr, **INFORMED US THAT BOTH ARE ALSO KHAZARS**. Once again we did not have our own citizens as leaders, rather Israeli's occupying our office of President. Think of the implications of that fact. A medal of freedom for Bush Sr in the same year that the Bohemian grove gave him a Baptism of Magog. He was most proud of that.

In March 2003, 12-year-old Hoda Darwish was sitting at her desk in a UN elementary school in Khan Younis on the Gaza Strip when child-molesting cowards of the IOF (israhelli offence farce) fired high-velocity bullets through her classroom windows. One of the bullets smashed into the little school-girls head, knocking her to the floor. The doctors at the hospital said that little Hoda would never awaken from her coma.

But after two weeks she started to recover. When Hoda woke up she slowly discovered that her life would never be the same again – she had lost her sight.

There is no week nor day nor hour when tyranny may not enter upon this country - if the people lose the confidence in themselves - and los their roughness and spirit of defiance.

This poignant film looks at Hoda's gradual mental and physical rehabilitation at the Rehabilitation Centre in Gaza, as she copes with the daily pain and suffering of her injury and how she rebuilds her confidence, all in a place full of fear and tragedy.

The "spreadshirt" t-shirt company printed these disgusting T-shirts and list them for sale on their website, I have not been able to ascertain whether this company is owned by yiddish child-molesters or not, however the odds are that this company is yiddish are high, I cannot see a goy company in the USA printed such turpitude:

I have a challenge for the readers that visit here, if you want to DO something to help, if you want to play a peaceful role in the protest against apartheid israhell, here it is: Each and every one of the 300 to 400 readers I get a day should take one half hour out of their day to email this Company, its Branches and those Companies that support it financially and let them know how disgusted you are that these pigs can be so disrespectful toward the suffering of an innocent little school-girl in The GAZA.

How long is the world going to take care of the Khazar bastards and let them get away with murder. I am sure that the West is being blackmailed by these pervert Jews. One day we all, will throw them out of our countries and they can seek refuge in the moon or in the graves of hell as they don't have a place on this planet, we will chase them all out and make them live what they have done to others, their time is approaching very fast so that we can have peace in this world, so the bastards better prepare for their hard times and they will be awfully hard.

They are not Jews by DNA or religion. They are practicing satanists and khazars, so lets start calling them what they are. Its time to go for full transparency or they will continue to get away with it while we focus on the wrong party. The more we say it, expose it, and condemn it, the harder it will be for them to continue. At least then we can hold them accountable.
