Rahm Emanuel's Father Specialized in Bus Bombings in Palestine

Wayne Madsen Special to Salem-News.com

Wikipedia deleted the page about Rahm Emanuel's father in 2008. Makes you wonder.

(WASHINGTON D.C.) - **Note from Publisher:** *In an effort to assist our government in keeping information "transparent", we are publishing this important article by Wayne Madsen, on the father of Rahm Emanuel. You won't find his bio on wikipedia, or any where else easily accessed. It has been deleted.*

Former White House Chief of Staff Rahm Emanuel held a top position in our country's leadership and his example of ethics and integrity is of the highest importance. This is not diminished regardless of his aspirations to leave the national spotlight and become the mayor of Chicago.

But, it seems, some secrets must just be harder to share. This revealing article will leave you with a better understanding of why no one wants to talk about Benjamin Emanuel. And why they should.

- Bonnie King

Irgun, the army of Rahm Emanuel's father, is short for Irgun Zvai Leumi- "National Military Organization" in Hebrew, was a terrorist Zionist group that operated in Palestine, killing innocent Palestinians and British soldiers; blowing up buildings.

A well-placed British source informed WMR that Rahm Emanuel's father, Benjamin Emanuel, specialized in the terrorist bombings of buses carrying British troops and policemen during the British Mandate in Palestine.

British MI-6 files contain information on the elder Emanuel's participation in the terrorist activities of Irgun Zvai Leumi, a Jewish terrorist organization that targeted British forces, UN officials, and Palestinian Arabs in the lead up to Israeli independence in 1948.

Benjamin Emanuel, a Jew from Russia whose real name was Ezekiel Auerbach, was arrested by British police for terrorist activities in the months prior to Israeli independence. Many of the British policemen killed by Emanuel and his Irgun colleagues between 1947 and 1948 had been transferred to Palestine upon Indian and Pakistani independence in 1947. Irgun saw the increase of British policemen from the Indian subcontinent as a major threat.

The Jewish terrorist murders of British troops and policemen resulted in massive anti-Jewish riots in London, Liverpool, Glasgow, Manchester, and Cardiff in 1947. In 1946, Emanuel's Irgun bombed the King David Hotel in Jerusalem, killing 91 people, including 28 British soldiers and policemen.

British intelligence also believed that Benjamin Emanuel may have been related to Vladimir Jabotinsky, a Russian Jew from Odessa who founded Irgun. Jabotinsky, who was an admirer of Benito Mussolini and who secretly negotiated for the expatriation of Jews to Palestine with the Nazi government in Germany and Admiral Miklos Horthy's pro-Nazi regime in Hungary, died of a heart attack in New York in 1940.

Wikipedia deleted Benjamin Emanuel's entry in 2008*, shortly after Rahm Emanuel was designated as President Obama's chief of staff. Wikipedia is a favorite device for the perception management goals of Dr. Cass Sunstein, Obama's director of the White House Office of Regulatory Affairs.

With a record of terrorist acts contained in his MI-6 files, Benjamin Emanuel was permitted by U.S. authorities to emigrate to Chicago from Israel in the 1950s, becoming a citizen. Rahm Emanuel was born in 1959.

Emanuel's father Benjamin was part of the Israeli assassin team that murdered Sweden's Count [Folke] Bernadotte in '48. Bernadotte was the UN envoy in Palestine who sought to find a solution to the UN Partition Plan that gave Palestinian land to Jews from "beyond the pale."

We will soon be referring to Israel in the past tense. This will be good for all those who care about our fellow human being and are lovers of peace.

Thanks for this article. It was sent to me by a friend and now the salem news has been added to my favorites. This affects me on two fronts. First, as a Palestinian whose parents were forced to leave Palestine in 1948. And second as a Chicagoan. I had known about Rahm's father and have been crying foul for sometime to anyone that would listen. I am surprised that is information is being made available and that you are reporting it!

I just hope you don't get bought out by Rupert Murdoch... Or the Jerusalem post!

Editor: Salaam alaikum Samiam,, thank you very much. I think we continue to be the only US news site that carries this material, I hope it is contagious. We appreciate your comment.

The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people.

The law says he can't run for mayor, but the judge says he can. Laws are only for the goyim. If they get in the way of what the Jews want, then the Jews just don't have to follow them.

Prescott Bush was a traitor to this country. He funded the Nazi German war machine which incidently killed many US GI's during WW2 if I'm not mistaken. Of course his son and grandson went on to become US Presidents. So maybe Rahm will be President soon. I heard he was born in Hawaii the day after Obama.

It doesnt matter...the supreme court said rham can run for office, even tho it is strictly forbidden by law. If you dont know by now that the zionist bankers own this country, including most of congress/senate/president, you are living in a fantasy world. Unlike israel/zionists, I am against violence, I make videos now and then..here is my latest. Stayed up all night making this. WHile they kill, destroy, destruct, manipulate, brainwash, and lie, I am just a person who actually loves humanity, and I am sick and tired of the rothchilds/zionist/israel destruction of this plaent for their own good. But I dont shoot guns, I make videos. (amanda, you probably dont even know the rothchilds birthed the zionist cult, to move into the middle east, and financed both sides of WW2 do you? of course you dont, go back to your tv) <http://www.youtube.com/watch?v=i8b1cXXA0B4>

JFK, RFK, Ted Kennedy, how did Joe Sr. make his fortune? How did he keep it? What did any of that have to do with the respect his son's garnered? Nada. Innocent until proven guilty. You simply cannot judge a book by its cover. E.J. O'Hare was Al Capone's lawyer. E.J. had a son named Butch, who was the joy of his life. As Butch moved into his teens, he dreamed of being a pilot. He dreamed of an appointment to the Naval Academy at Annapolis. But the U.S. government wouldn't give such an honor to the son of Al Capone's lawyer. So E.J. made a deal. He would give the feds the goods on Capone. In return, his beloved Butch would get into Annapolis. Well, Capone did get convicted of income tax evasion, in 1931. A few years later, Butch did go to Annapolis, and graduated Class of 1937. He became a pilot and a hero in World War II, earning the Medal of Honor. He was later killed in another engagement. Today, Chicago's O'Hare Airport is named for him. But E.J. could not revel in Butch's glory, nor mourn his passing. In 1939, E.J. was gunned down on a Chicago street. The Capone mob had learned of his betrayal.

Amanda: "deeds under conditions of war"?NOT after 1945..... World War II was already OVER. At this point, the Irgun was simply keeping the pressure on using maybe intimidation to the U.S.) to follow through on some old pro-Zionist promises (from 1917 and 1922) endorsing to let the Jewish Diaspora set up in Palestine as 'rulers' if they behaved themselves (which they didn't/haven't). Some Irgun terrorists were given an asylum of sorts in the U.S. The better question would be "Why?" For

Dear Lord Amanda..even without his dads terrorists ties, do you have any research at all what rahm has done in Chicago? There is so much corruption in their government you could cut it with a knife. His actions working with obama are from a mad man. He is now breaking state law running for office, it will be interesting to see how corrupt the courts are, and if they bypass the law for good ol rahm. Anyway, cool to see ya got Wayne Madsen to send an article. I hear him on the alex jones radio show now and then, seems to be a pretty good 'in the know' type guy. And yeah Tim, watch out for that dead fish in the mail.

carmen January 26, 2011 7:48 pm (*Pacific time*)

As a Chicagoan I'm impressed that someone is actually printing stories that draw questions of Rahm or his family. Damn right we need to know about this. MI-6 labeled his father a terrorist. Why can't we know about this? Good job Salem News. But don't be surprised if you get a dead fish in the mail.

Amanda January 26, 2011 6:26 pm (*Pacific time*)

I think it is unfair to post a father's questionable deeds under conditions of war, or attempt to espouse a son for his fathers acts under conditions of war.

Editor: The man was/is a terrorist. If the shoe was on the other foot everyone would *scream* but the blatant prejudice of this nation allows people to condone the murderous deeds of the Israelis but instantly condemn those of the people whose land was stolen. Shall we make bin Laden's son the next chief of staff? Please note that this man belonged to a particular military group that killed a lot of British military personnel and other westerners. He wasn't just some stooge in the IOF.
