## [Breaking: Secret Bilderberg Agenda Leaked by Mole](#)

**UPDATE:** [Bilderberg 2011 Attendees List Leaked](#)

**Kurt Nimmo**  
Infowars.com  
June 8, 2011

Alex Jones and Infowars.com have received inside information regarding the Bilderberg agenda now unfolding in the idyllic Swiss countryside.

According to AFP journalist and legendary Bilderberg sleuth Jim Tucker's inside sources, the agenda now under review includes a number of critical issues at the top of the elite's to-do list. These breakdown as follows:

The elite are concerned that the American Congress may soon turn against the illegal and immoral invasion under humanitarian cover by NATO and the UN against the north African dictator Moammar Gaddafi.

As columnist [Patrick Buchanan](#) noted yesterday, Congress is rising in opposition to bogus wars launched by the executive branch in violation of the Constitution.

"Last week, House Speaker John Boehner had to scramble to cobble up a substitute resolution to prevent half his GOP caucus from joining with Democrats to denounce President Obama's war in Libya as unconstitutional and to demand a total U.S. pullout in 15 days," Buchanan wrote.

More than a third of House Republicans voted to pull out of the NATO coalition attacking Gaddafi's forces, in essence forcing a NATO withdrawal from the color revolution engineered civil war in that country.

In January, former oil industry pastor Lindsey Williams revealed that his inside sources said [oil prices will skyrocket](#) – a fait accompli with gas prices at the pump now at historically high levels – as the global elite work behind the scenes to take take down national economies. Williams appeared on the Alex Jones Show to talk about [new revelations](#) that deal with the death of the dollar, exploding energy prices, and the engineered onset of order out of chaos revolution worldwide.

The elite now meeting behind closed doors in Switzerland are pushing for a wider war and incalculable suffering in the Middle East.

The money masters have long profited from war and mass murder. [Nathan Rothschild](#) made a financial bet on Napoleon at the Battle of Waterloo while also [funding the Duke of Wellington's peninsular campaign against Napoleon](#). The House of Rothschild financed the Prussian War, the Crimean War and the [British attempt to seize the Suez Canal](#) from the [French](#) and also financed the Mexican War and the Civil War in the U.S.

In addition to worrying about Congress waking up to the Libyan scam, the global elite is also concerned about a diverse liberty movement that has grown exponentially with the help of an open and free internet.

In response, the pocketed pawns in Congress have introduced a raft of bills over the last few months designed to take down the internet and blunt its impact as a medium for alternative news and information.

On April 1, 2009, the Senate introduced two bills, endangering a free and open internet: [S. 773](#): Cybersecurity Act of 2009 and [S. 778](#) to establish a White House cybersecurity czar.

In addition, on September 20, 2010, [S. 3804](#): Combating Online Infringement and Counterfeits Act (COICA) was introduced.

Early last month, an especially ominous bill was introduced in the Senate. Entitled [Preventing Real Online Threats to Economic Creativity and Theft of Intellectual Property Act of 2011](#), PROTECT IP for short, this legislation would use copyright infringement as a smoke screen to take down web domains and institute rolling censorship.

On the international front, the European Commission gave a nod toward implementing the [Anti-Counterfeiting Trade Agreement](#) (ACTA), a draconian measure that will subvert national sovereignty, trash Net Neutrality, consumer privacy, and civil liberties. In the United States, the corporate media has virtually ignored ACTA, but then key players in the Mockingbird media are often Bilderberg attendees and privy to aspects of the agenda.

The above represent a small sampling of legislation and treaties that will be used to shut down the opposition under the cover of protecting copyright and preventing terrorism.

Hyperventilating over exaggerated threats of cybersecurity, [Senator Jay Rockefeller](#) mused during a congressional meeting on cyber crime and terrorism in 2009: "It really almost makes you ask the question would it have been better if we had never invented the internet."

The globalists are not opposed to the internet, especially as a corporatized money-making instrument. They are, however, opposed to an open, free, and unregulated by government internet where alternative media opposed to their globalist devices are allowed to thrive.

In addition, we can expect minions of the global elite who parade around as our elected representatives and appointed government officials to continue their propaganda efforts to convince the American people that the internet will be used as a terrorist weapon of mass destruction and as such needs to be tightly regulated – for our own safety, of course, and that of the children.

Finally, the Bilderbergers will work on an effort to sucker an already economically besieged American public into further fantastic debt producing bankster bailouts, specifically for Greece, Ireland, Portugal, and other member EU nations sliding toward bankruptcy and social disruption on a monumental scale.

In late 2010, the U.S. Treasury, now operating as a liaison between the government and the bankster owned private Federal Reserve, indicated it was ready to fork over billions more to the European black hole.

"There are obviously some severe market problems," said a [faceless bureaucrat](#), speaking on condition of anonymity. "In May, it was Greece. This is Ireland and Portugal. If there is contagion that's a huge problem for the global economy."

As of late 2010, the IMF, whose biggest single "shareholder" (read: parasitical host) is the United States, has committed 250 billion euros to the bankster engineered black hole.

"Why should American taxpayers be on the hook because a foreign government cannot cover its debts?" asked Rep. [Ron Paul](#), R-Texas, at a House subcommittee hearing last May.

Because the plan is to take down national sovereignty, impose drastic austerity measures, hold fire sales on national assets, consolidate wealth and power, and use an endless economic crisis as an excuse to usher in world government, a one-world currency, and a sprawling high-tech police state.

Oppose the Bilderbergs? I would say they are worse than rude guests. It would be more appropriate to arrest them, confiscate all of their criminal property and funds. This going to their meeting will be significant if it is to deliver their arrest warrants and transport them to their cells to await trial.

If they were in USA there are terrorism laws that would help in that respect because they do finance all forms of wars and terrorists.

America is already awake to the scam I do not see any of their plans coming to fruition I think of them all now as a bunch of kids in a tree house, only now old, crippled, barely clinging on to the life that there expensive doctors can keep prolonging. I feel sorry for these men and woman in the end for most of them fear nothing and will truly burn in hell when life is over for them. How anyone could be so miserable as they are even with having everything they could ever want all around them is beyond me. Poor chaps are going to all going to look back when all they can do is lye in bed and think. “my god, I have wasted my life in pursuit of ending what so many before me could not, I am a fool of fools an now I will burn for my sins”.

Live a healthy and well life its the best revenge. The success these people feel they have achieved in life is all perceived because they live in a bubble with there friends whom are not friends at all. It really must suck to live in a world where no one is trust worthy and you lose yourself a long the road to corruption as all of these people have. They all seek to gain more dirt on the other and more power over each other. What losers...

@ Mjohnson1 ..... Lets keep it real here.. America is sound asleep.. theirs way to many people looking for info in the wrong places.. like the main stream fox news and cnn, and all the news papers, magazines, and talk radio like RUSH and BECK , HANITY , they are the gate keepers for deception.. They all read from the same script.. which is the so called war on terror.. until the people shut the devil box off, and get the real info like on this site and others like it, they will be brainwashed into the left.... right scam, when in reality, they are the same.. but listening to HANITY, and RUSH you'd never know that.. they'll tell you the republicans will save you.. THERE ARE NO SAVIORS IN DC.. Prepare.

The DC criminals are bought and paid for buy the Bilderbergs.. Then the controlled media tells the people bilderberg doesn't exist.. so people watching the main stream will only here the big lie.. they'll tell you the cave men are our problem, now the sheeple are going down the path of deception.. BAD NEWS.. as long as people are getting their info from the msm they are a big part of the problem.. lack of truth and knowledge will let the change continue.. the change is a new world order.. a new currency, poverty,and tyranny.. NO DEAL.

This is exactly the kind of thing Rush, Hannity and especially Mark Levin warns about. Crony Capitalism, One World Order, lack of freedom.

They point out the hypocrisy that is there to see from the old school GOP and there is no love there.

“The money masters have long profited from war and mass murder. Nathan Rothschild made a financial bet on Napoleon at the Battle of Waterloo and while also funding the Duke of Wellington’s peninsular campaign against Napoleon...”  
I always wonder why it is The Jewish international bankers that get the attention that the Rothschild’s competitors seem to avoid? Is it like the slip of the tongue as Alex said “Bernard Madoff” instead of “Dominique Krauss Kahn” and instead of simply correcting himself he dug in deeper by saying: “well they flock together”. Birds of a Feather: Madoff, ponzi schemer, swindler; Dominique Krauss Kahn, Eurocrat accused of RAPE. IN WHAT WAY DO THEY FLOCK TOGETHER, ALEX? THEIR ONLY COMMONALITY IS THEY ARE JEWS!  
To hear always of the Rothschilds and the “lie” that Waterloo was lost to the British and then making a fortune on the financial transactions that lie precipitated, is tiresome. It is not true. The British relied on the Rothschilds to float the bonds to buy the bullion that paid for the Allies and the British armies and navies. After many years of world war there was scarcer and scarcer bullion available. The R.’s had to pay high prices to bring bullion to Britain. The news of the defeat of Napoleon at Waterloo was quickly sent to London. If the Rothschild’s had earlier news, more power to them. The price of bullion was about to plunge due to the vast decrease in demand. ( No more armies and navies needed to be paid.) They would have been ruined if they did not move quickly. Since it through their involvement that Britain prevailed against the French Hegemon, it would be unfair for them to take a beating on the victory. They quickly sold the bullion when high, and bought into the British stock market, which had been depressed due to the long war. They sold gold high and bought stock low. Who would not do the same if they were able to do so? There was no lying, no playing both sides. They took huge financial risks and this was before anyone, especially a Jewish Family was considered too big to fail! There weren’t bailouts then. The assumption of risk is undertaken only when the potential for a high payoff is present. If the Rothschilds were good at what they did, why does that seem to bother so many? Do you as individuals not seek the jobs that pay the best? So long as the job does not force one into immoral actions, everyone would seek to maximize their income! Blame the Jews? Most Jews were poor Ghetto dwellers in Europe. The Rothschilds turned Theodore Herzl down in his quest for support of the Zionist cause.  
ISRAEL is the target of the New World Order. Is it too hard to see? Aren’t the West, NATO, USSA, EU, UN, the Muslims, the Vatican all on this one page at least: Israel must be rendered indefensible and Jerusalem must be divided or vaticanized. If Israel were pulling the strings as so many conspiracy theories “know”, why are they doing so much that is against their interests? The coming New World Global Security State 666 is out to KILL the Woman with the Babe. The Babe is Jesus, the Woman, Jesus’ mother, is the House of Israel. Think carefully before taking sides.

attilashrugged – One point is solid: there are two races of people in the world, the race of the good guys and the race of the bad guys, and we better soon get better at telling which is which or we will all join together as radiant atoms in a molten sea.

No, the sides are not races. They are moral foes. There are those who seek power over others, and consider human beings, the world,

and even “god” as being merely the means to their ends. God, is His own end. Each individual is “god” over their lives and bodies. We each choose whether to align ourselves with God’s End, or our own. And we each decide how much of other people’s lives are Ends in themselves and thus not to be used as a means to fulfill our desires.

The Choices are:

1. See oneself and others as the creation of the Creator: This requires and/or causes humility, (not humiliation). I am not God of my life, and therefore absolutely not the god of anyone else’s.
2. Elevate oneself to the pinnacle of the universe, and presume that all others are but means to gain one’s pleasure. Whether acknowledged or not this person lives and believes he is God over everything in his reach.
3. No third choice.

George Soros and Barack Obama will be sitting in a Federal prison before these things EVER happen here in the U.S.!! What a nefarious bunch of criminals surround this Marxist-hijacked Democratic Party. It’s a testimony to the fragile nature of true liberty and freedom. Unfortunately for the losers in the Bilderberg-led, “one-world” government crowd, so many young people (under 45) have fought in wars in the Middle East that they have a super-heightened patriotism instilled in them now and the overall population of the U.S. will NEVER allow these things to pass.....

peteto – Obama and Soros and bilderbergers and others don’t give orders. They take orders. One example among many: George Soros made his original billions almost solely in currency exchange. He would receive a message to “buy this currency” and “sell this currency”. As long as George continues along the prescribed path, he will be ok. Obama and others like him are even easier to figure: They have an “I got mine” mentality. As for “heightened patriotism”: In 1776, they had muskets and we had muskets. Today, the “overall population” of the United States by and large has rifles and handguns. The other side has grenade launchers, night-vision goggles, nuclear this-and-that and on and on. I admire and share your concern for our loss of liberty. Unlike you, I don’t see any effective countervailing force on the horizon. By the way, as long as we see this as an argument between Democrats and Republicans, those who are benefiting from the Grand Plan can sit back, smile, and rub their hands with glee.

Worrying about world government passes over a crucial intermediate step. The Money Masters will establish an international currency first. Once the currency is established, control of world governments is assured. But to do this in an effective time frame, the people must first be impoverished. With only one currency with an assured value, the people will clamor for it. That includes me, swallowing my anger, so I can provide bread for my family. Can their process be stopped? The tipping point has been passed. By the way, the Bilderbergers, world government leaders, etc. are all middle managers to the Money Masters. And the Money Masters are all men. Where are the feminists when something greater than trivial is at issue?

Sorry Mark,

I'll go check out Linda's stuff BUT, she most certainly didn't predict 9/11 correctly 'long before anyone else'. Not by a long shot. Ask AJ, his arch-nemesis? did in June 2001. And he named OBL as the one to be blamed for it as well. He was a little early in his 'event' date, but none the less, he was way before Linda Newkirk. Try looking up AJ's worst nightmare, William Cooper. Good Luck.

A little history lesson kiddies. wc called 9/11 on his radio show in June 2001. Law enforcement went to his house ON 9/11 to arrest him (don't remember what for), he wasn't home. They went back in Nov 2001, and he was shot and killed on that attempt to arrest him. wc dead and mostly forgotten, or worse; never known about by most; AJ getting fat and happy with his millions earned (and counting)

Ok, I work a strange rotating schedule so I gotta go after this one. Before all the nitwits get going about 'how the name is there now', I'm still suspicious since I put a space between all the letters on that last post to see if that would work. It did. (Doesn't mean I'm not paranoid, but NONE of the correct spellings with proper spacing would post, but the backwards one did and so did the one above with the spaces. I disagree. Really poor journalism. Could tell where the news started the the opinions begin.  
for instance: "American Congress may soon turn against the illegal and immoral invasion under humanitarian cover by NATO and the UN against ". Whether or not you agree with the NATO action, the legality of the action is an opinion. No court has ruled for or against. A better way to have phased would have been "contraverstial". I'm tired of op-ed pieces disguised as news and news disguised as op-ed pieces.

He died 23 years ago, but I am his daughter, and I will revere him to protect my country and individual liberties. Those who think that we Americans are dead have another “think to think”.

After I studied the scriptures a lot, I became convinced that whatever happens is the provenance of God. It is really difficult to combat God because he knows all. I finally came convinced that He knows what He is doing and I must fall in line with Him.

If you know the word of God then surely you know the Scripture:

"I sought for a man to stand in the gap; to make up the hedge for this people, but found none. Therefore are they destroyed..."

If you want Chapter & verse I shall find it, but the point is God sometimes TESTS people with events that can go either way.

Does God change His mind? CERTAINLY! God sent Jonah to the wicked city of Ninevah to preach destruction in 40 days. God

was so serious about it He forced Jonah to be carried there in the mouth of a large fish.

BUT the people of Nineveh, from the King down to even their animals, put on sackcloth, (burlap), sat in ashes, cried out mightily to God in repentance AND

GOD CHANGED HIS MIND & spared Ninevah, a city of 600,000.

True, some things are ordained to be no matter what, God knows – BUT WE DON'T KNOW! Let us, as the Apostle Paul put it: "Fight the Good Fight of Faith, putting on the Whole Armor of God" and GO FORWARD in spiritual battle against the forces of darkness written about in the article above.

REMEMBER God would have CHANGED HIS MIND and not destroyed Sodom & Gomorrah IF He could have found JUST 10 RIGHTEOUS PEOPLE! There are many more good, praying people left in the U.S. Who can say what God will decide if we KNUCKLE DOWN & FIGHT?

For another thing, the people that descry the "elites" and the Bilderberg Group only do so out of anger and jealousy that they have not attained this station in life. No person on earth WANTS to be poor or unnoticed, everyone wants wealth and recognition. Bitching about what's wrong with the 'haves' is a favorite pasttime of the 'have-nots'.

Yes, hard as it may be for some to believe, many of us ENJOY our lives of sacrifice to OTHERS with little or no worldly gain.

To fully receive the Spirit of Yeshua is to take on His GIVING NATURE. I wouldn't trade my "station in life" as a follower of Jesus for all the notoriety & filthy lucre, (money), in the world!

Note that to a man, (or woman), the Bilderberg creeps are MISERABLE, WRETCHED and eaten up with PERVERSIONS, MURDER & LUST FOR POWER. Compare that with the LOVE, COMPASSION and MERCY demonstrated by many disciples of Christ who give their entire lives helping poor & sick people. Then you see why being a mere "bilderberger" would be a COME-DOWN to us.

It is time for truthseekers to realise corruption begets corruption and solutions for the dangers faced by humanity cannot be found by any corrupted manmade systems. Unfortunately the pure messages that were sent to the honourable Messengers Jesus and Moses (peace be upon them) were also infiltrated & corrupted by the satanic system.

But God out of His mercy has preserved His message through the last messenger Mohammed; and Jesus (pbut) will return to defeat this satanic system and establish Islam, which means "Submission to the Will of God"..

We need to come together to seek the help of the True God, through His True religion, Islam to defeat the evil antichrist system.

“The money masters have long profited from war and mass murder. Nathan Rothschild made a financial bet on Napoleon at the Battle of Waterloo and while also funding the Duke of Wellington’s peninsular campaign against Napoleon. The House of Rothschild financed the Prussian War, the Crimean War and the British attempt to seize the Suez Canal from the French and also financed the Mexican War and the Civil War in the U.S.”

COME ON INFOWARS, WHEN ARE YOU GOING TO STOP THIS FAIRYTALE ABOUT THE AMERICAN REVOLUTION, THE FOUNDING FATHERS, 1776, AND GOD?

IT’S A WELL DOCUMENTED FACT THAT BOTH THE AMERICAN AND THE BRITISH SIDES OF THE REVOLUTIONARY WAR WERE FINANCED BY THE ROTHSCHILDS (REDSHEILDS).

THEY NEEDED A NEW COUNTRY OF FREEDOM BUT WITH RACIAL DIVISION.

- THE FREEDOM PART FOR THE UNBRIDLED RAPID GROWTH OF TECHNOLOGY FREE FROM EUROPEAN CLERICS WHO BURNED PEOPLE AS WITCHES FOR INVENTION.

- THEY NEEDED A RACIAL DIVISION AND THAT’S WHY SLAVES WERENT FREED DOWN SOUTH AFTER 1776 AND NATIVES WERE MASSACRED. THE RACIAL DIVISION IS THEIR “AMERICA SELF DESTRUCT KEY” THEY CAN PULL OUT ANYTIME THEY NEED IT IF WE IN AMERICA GET OUT OF LINE IN THEIR PROGRAM. America does have a lot of Angry Minorities you know, AND THEY WANT IT THAT WAY SO THEY BRAINWASH WHITES TO BE RACIST AND DISCRIMINATORY WHEN OTHERWISE THEY SHOULD HAVE NOTHING TO FEAR FROM MINORITIES WHO JUST WANT TO LIVE IN PEACE AND PROSPERITY HERE.

RACISM IS A WELL DOCUMENTED ILLUMINIATI POGROM ON THE PEOPLE.

- THE WHOLE GOD AND RELIGIOUS FREEDOM THING WAS TO GET THE UNSUSPECTING MASSES (most of them who came here to escape religious persecution) ON BOARD WITH THEIR “REVOLUTIONARY” PLAN.

IS IT BECAUSE I’M BLACK AND I’M ANGRY WITH AMERICA AND HAVE A VENDETTA THAT I CAN OPENLY ADMIT THE REAL TRUTH TO THE ORIGINS OF THIS SATANIC NATION?

IS IT BECAUSE FOREIGNERS HAVE THE BEST AND LEAST OPINIONATED FACTUAL EVIDENCE THAT “AMERICA THE LAND OF THE FREE” WAS ALL A LIE AND YOU PEOPLE FUCKING BOUGHT IT HOOK LINE AND SINKER?

LIKE OBAMA LIED TO BLACKS TO GET THEIR VOTES, THE PEOPLE IN THE AMERICAN LIBERTY MOVEMENT ARE LYING AND WITHOLDING FACTS ABOUT THE REAL SATANIC ORGINS OF THIS FALSE “REPUBLIC.”

YOU KNOW WHY, BECAUSE THEY ARE DONE WITH THEIR “AMERICA EXPERIMENT” AND NOW ARE ABOUT TO TURN THEIR “AMERICA SELF DESTRUCT KEY” IN ORDER FOMENT A RACIAL ARMAGEDDON FOR AMERICA.

Simply put, they are tossing us over their shoulders like an empty beer can (SO THEY CAN NOW FULLY FOCUS ON THEIR CHINESE EXPERIMENT), but first they have to crunch us up.

AND SINCE THIS IS THE CASE, IT MAKES ME CURIOUS.

ARE THEY FINANCING SOME ASPECTS OF THE “LIBERTY MOVEMENT” FOR THOSE WHO CARE ABOUT THE FOUNDING FATHERS BUT REFUSE TO PARTICPATE IN BOTH THE RACE AND THE CLASS WAR?

AMERICA WILL BE THE WORLD LEADER BY DEC 2012 ALL RIGHT.

The unsuspecting masses will falsely believe the BS taught to them by the Wall St. Racist/Capitalist Churches that 2012 is the end of the world. The world of this America and this Europe will come to an end. The elite will start to migrate to China, etc.. as they have already mixed with foreign women to create the New World Elitists. America will become an ABSOLUTE 3RD WORLD SHITHOLE, but by 2016 the Economy will start to come back (a set back will come in 2017). By 2018 however, the

Economy will be the best in American History. The North American Union will be fully implemented by 2018, but they will slowly bring it on in stages with crisis after crisis until then.

Millions of Canadians and Americans (some) will be in FEMA camps on Canadian Territory that are contracted out by the US government. There are some very huge camps in Northwest Territories that can be made to fit millions in vast tracts of land 100 miles away from the nearest ice road.

Canadians will resist this NAU, and I think they will crack down hard. The Leader of 2016 will get Canada on board.
